A Publication for Members of the PNNA

Volume 9, Number 1

MARCH 1973

President's Message

The first thing I want to do is invite you to Spokane, April 6-8, to attend the PNNA Convention at the Ridpath Hotel. The Inland Empire Coin Club is our Host and a good time is promised for all. The PNNA Officers and Board Members want to meet you all and get ideas for new projects we can work on. Saturday evening at Spokane, we will have the first showing of the new PNNA slide show featuring Depression Scrip of Washington State. I have just previewed this series and it is fantastic. Glenn Rome and Byron Johnson are to be commended for a job well done. As soon as a tape commentary is prepared, this slide show will be made available for clubs in the PNNA area to borrow for club programs. Eventually, we hope to prepare several slide programs on other Northwest numismatic material which should be of great interest to collectors of the area. Glenn Rome of Seattle has prepared the slides for the Scrip show. Don't miss his presentation.

Also, on Saturday, April 7th, in Spokane, we will have a no host Luncheon for officers and/or representatives of all Northwest clubs. We hope to trade ideas, suggest club improvements, and get to know one another. Please contact me beforehand so we will know how many to prepare for.

As announced in our last issue, we have a new publication, the PNNA Bulletin, which is now mailed to 31 coin clubs with a combined membership of over 2500 collectors. The coin clubs mail the bulletin to their own membership, we hope. This bulletin publicizes all the coin shows and educational forums in the Northwest. A copy will be enclosed with your PNNA News. If your club does not receive it let us know and we will arrange for your club to receive their copies. No charge to your club of course.

Hope to see you in Spokane for our 28th Annual Convention.

Mrs Marge Farnam, President
20121 1st Avenue Spath
Seattle, Washington 98148

Editorial Reminders

This issue we continue our listing of Sales Tax Tokens of Washington State. The concluding chapter will be in the next issue. Members of the PNNA with additions or corrections should direct them to our President at the above address.

28th Annual PNNA Convention

Our Convention opens in Spokane at the Ridpath Hotel, W 515 Sprague at 10AM Friday, April 6th. A large Bourse of over 40 tables, lots of nice exhibits, and plenty of sociability. Friday evening, we have our first educational program, a slide showing on U S Pattern Coins. Saturday noon, we have a no host luncheon for representatives of all the coin clubs in the Northwest. Be sure your club has members there to swap ideas and problems. Saturday evening, the premier showing of the PNNA Slide series on Depression Scrip by Glenn Rome. Sunday morning is the Awards Breakfast. Sunday evening adjournment. Be sure to check exact meeting times when you arrive. You don't want to miss out on the fun. For Convention information, please contact the Chairman, Irene Alexander, P O Box 271, Parkwater Station, Spokane, Washington 99211.

65.	Tacoma	Chappell & Grimes	yellow
66.	"	The Husk	manilla?
67.	Wilbur	Commercial Club	tan

There are several other issuers reported but not confirmed. These include Augustine and Kyer, Bartell Drug, and the Washington market all of Seattle. Also possible other colors of above issuers. A possible brown Centralia, a white Colfax, and a brown Longview. These las three may however simply be faded other colors.

The following two pieces have no town name on them. They may be for Seattle, or they may be for several locations.

- | | | |
|---------------------------|-------|----------------|
| 68. Western Thrift Stores | white | red printing |
| 69. F W Woolworth | tan | black printing |

Tokens have also been reported from Aberdeen, Hoquiam, Olympia, and Yakima. The issuer's name in Aberdeen is reported as Amos and Andy Cafe. There is no confirmation of any of these. It is stated the Hoquiam issue was made of woodpulp. All four were reported in 1936.

There are another two pieces that have been seen and recorded, but their location remains unknown. They could be from Aberdeen, Olympia or Yakima as reported above or from some other town.

70. G.H.J. 1/5 cent red-orange cardboard reverse-gray
The initials are rubber-stamped and the 1/5¢ is in pencil.
On the reverse in pencil are the letters ...EEN. The first part of the word has been peeled off. Possibly Aberdeen? 23x26mm
71. Good for 1/5 cent in trade at Kipper's Korner
Rev.-We use Federal Bakery Buns exclusively. Finest baked products in the Northwest. But at Federal Bakery Stores
manilla color 34x50mm black printing

Information is wanted on the above two items. The denomination of 1/5 cent points towards tax token status for these items.

Cardboard Provisional Tokens of 1941

72. Spokane 1941 date white

Apparently when the State Sales Tax changed from 2% to 3% in 1941, there was a shortage of tokens in Spokane. This is the only provisional issue of 1941 reported. For the State issue Series D see the pattern list we published in the last issue. There is no record or report of any Series D piece ever being in circulation.

There is currently in preparation a new catalog of all State Tax Tokens issued in the United States. I saw a manuscript copy at the 1972 ANA Convention. Hopefully, it will be published later this year. Involved are members of the American Tax Token Society (ATTS). Applications for membership can be obtained from Charles Carter, 721 Glencoe Street, Denver, Colorado 80220. Dues are \$2 per year. They publish a newsletter. Information in this listing came from your Editor and Jerry Schimmel (ATTS President) and Mike Pfefferkorn.

The PNNA is currently working on a slide program which will illustrate the tax tokens of Washington State. When the program is completed, the slides will be made available for loan for club programs in the Northwest.

Next issue, we complete this Tax Token Series with the Tenino Wood.

ELECTION TIME

Sunday morning, immediately following the Awards Breakfast on April 8th, the PNNA will hold their annual meeting during which the election of officers will take place. The Nominating Committee consisting of Mary Froreich, Chairman, Les Copan and Dale Crawford has been appointed and will make their report at that meeting. If you would like to run for office or know anyone who would like to, please let them know as soon as possible. The work load isn't all that great when all of us are pulling together, as we have this past six months. We hope to see all of you there as you must be present in order to cast your ballot.

MEMBERSHIP BARGAIN

Let's not forget that membership in the PNNA is one of the best bargains on the market today. For just \$2.00 per year you can become a member of the fastest growing numismatic organization in the Northwest. The PNNA News is published quarterly as well as our new publication for clubs. Membership applications are available from any of the officers or board members. Let your friends know about us and encourage them to come aboard. We would love to have them all.

See you April 6th to 8th in Spokane!!

CLUB NEWS

MARCH 1973

During the last two months since the first issue of this bulletin we have received compliments for which we are grateful, and suggestions, some of which we will adopt. One is to include mailing addresses in our coin show roster. Don't forget to let us know as soon as your clubs' show is scheduled. Another suggestion asked for a complete list of Northwest clubs with meeting times and places of meetings. We had already planned to do this in one issue a year. We will also include the club mailing address unless there is objection. Please make sure we have the correct information for your club.

We are pleased with the number of people who have told us they planned to attend the PNNA Convention in Spokane on April 6 to 8. All the PNNA officers look forward to seeing you there and meeting you. A luncheon for club officers and/or representatives of each club is planned where club problems, coming shows, and new ideas for club improvement can be shared. The luncheon is planned for Saturday at Noon. We hope to see your club represented. So we can plan space, would you let us know beforehand. Contact Marge Farnam, Pres., 20121 1st Avenue South, Seattle, Wa 98148. For convention exhibits, bourse, etc contact Irene Alexander, Box 271, Parkwater Station, Spokane, Wa 99211.

The Vancouver Numismatic Society will host a CNA Symposium on April 15th (See our calendar). There are five distinguished speakers from Calif., Wash., and B.C. There will also be invitational exhibits. This is purely an educational affair and you are invited. A bus trip is being planned from Seattle to this one--to leave on Noon Saturday, and return Sunday evening. If interested, contact Marge Farnam for details.

The Vancouver International Coin Enthusiasts and the British Columbia Numismatic Association will sponsor a counterfeit seminar May 19-21 at the University of British Columbia. Instructors will be Virgil Hancock of Texas and John Hunter of Michigan. Two of the leading experts in counterfeit detection. The course fee is \$75.00 which includes accommodations for two nights and meals. Enrollment is limited to 40 people so everyone gets a chance to use the equipment. Inquiries should be sent to Dennis Lane, P O Box 35074, Station E, Vancouver 13, B. C. Canada.

Byron Johnson, a long time collector in this area, is running for ANA Board of Governors. It has been many years since our area has had representation on the board. Why not send in a personal or club nomination for Byron to ANA Headquarters before April 15th. And give him your vote when the mail ballots come out. Thanks for the support.

Several area coin clubs have issued medals and have them for sale. The Fairbanks Coin Club produces a medal each year honoring an Alaskan pioneer. Details can be obtained by writing Fairbanks Coin Club, Box 1275, Fairbanks, Alaska 99701.....The Lewis-Clark Coin Club in Lewiston, Idaho produces a medal each year commemorating events in the "Lewis-Clark Empire" area of Idaho, Oregon and Eastern Washington. Each medal is accompanied by a parchment covering background information. Those interested in obtaining specimens should write Lewis-Clark Medals, Lewis Clark State College, Lewiston, Idaho 83501.....The University Coin Club of Seattle produced a 10th Anniversary medal in 1970 which was struck at the Franklin Mint. Sets of silver and bronze proof medals can be obtained for \$12. Single bronze Unc. medals are \$2. Medals can be ordered from University Coin Club, 20121 1st Avenue South, Seattle, Wa 98148. And while we are on medals, the PNNA will have some medals from previous conventions, plus this years wood pine tree dollar for sale at the PNNA Convention in Spokane April 6 to 8 at the Ridpath Hotel. We hope to see you there.

Now can be told the true story about why George Washington melted down his silver service to make the country's first coins. Martha made awful coffee. And in those days there was no friendly grocer to recommend the tasty brand. So, out with the coffee pot. Coffee in cafes was only five cents and the half-dimes served admirably. By the way, quite a few still have coffee stains on them, but we call it patina.

JULY 1973

President's Message

2 ④

With this issue of the PNNA News we are enclosing a copy of the PNNA Club Bulletin so you can see what is going on in the Numismatic World. I would hope that most of you have already received a copy with your local club paper. The PNNA is trying to provide a service, but if your club doesn't forward them on, then we are wasting our time and PNNA's money. I would hope this isn't happening in too many cases. There are two major conventions coming along and we do hope that some of you will be attending either the CNA in Saskatoon or the ANA in Boston. While on the subject, we do hope that you ANA members will cast your ballot for Byron Johnson, our Vice-President, for the ANA Board of Governors. We urgently need some Northwest representation in the ANA.

Plans are coming right along for the 1974 PNNA Convention. It will be held at the Hyatt House in Seattle (Next to the Airport). It is being hosted by the B.U.M.S., the four local clubs-Boeing, University, Manhattan and Seattle Coin Clubs. Dates are May 17-19, 1974. The next Board Meeting of PNNA will be in Yakima, September 15th. All of you are invited to sit in on any of our meetings. See most of you there, I hope.

We are looking for a design for the 1974 PNNA Medal. Perhaps you are looking for something to do. We are having a design contest which will close October 15th. Suitable prizes will be awarded. Just mail your design entry to me and the B.U.M.S. committee will decide the winner.

Mrs Marge Farnam, 20121 1st Avenue South, Seattle, Wa 98148

Editorial Ramblings

This issue we conclude our listing of Sales Tax Tokens of Washington State with the wood issues of Tenino. Members of PNNA with additions or corrections should direct them to our President. Next issue we will begin a listing of Lewis and Clark Exposition pieces produced for the 1904-05 Fair in Portland, Oregon. Terry Trantow is the author. I hope PNNA members are aware of the U.S. Food Stamp Program--not as recipients, but as interested parties to a numismatic item. Grocery stores are not allowed to give change for food stamps in cash. They have to use credit slips of some sort. Many of these resemble paper money and are collectible. Ask your grocer what he uses to make change for food stamps. You may start a new inexpensive collection. Two new catalogs just out list numismatic items of the Northwest. A catalog entitled Real Estate Tokens by John Coffee lists some pieces of Washington State, and the second work, Parking Tokens of the World, by Duane Feisel, lists parking tokens from Oregon, Washington and British Columbia. Quarterman Publishing in Boston has reprinted the King book on Masonic Chapter pennies. Many pieces of the Northwest are listed. Over 60 from Idaho, over 100 from Oregon, over 90 from Washington and over 50 from British Columbia. If the recent surge in coin prices has slowed your collecting down, perhaps you might be interested in one of these different fields. Give it a try.

SALES TAX TOKENS OF WASHINGTON STATE (Continued)

Wood Provisional Tokens of 1935

Tenino is the home of wooden money in the United States. The emergency wooden scrip of December 1931 started the large scale issue of wooden money across the country. When the 1935 tax law went into effect on May 1, 1935, Tenino again resorted to wood for emergency issues. Altogether, the total mintage of wood tax tokens for Tenino amounted to 20,000 pieces. There were twelve different issuing, business firms. Some of these business establishments used more than one variety.

Our list will list varieties by color and by large and small case letters. Minor differences caused by spacing of letters will not be listed, mainly because there is no end of them. On these minor differences, the letters and lines vary in size and length. The colors vary from light to dark. This color variation may result from something in the wood re-acting with the ink. Or maybe because they were not too careful in mixing inks. There are blue and green pieces. The blue-green pieces though may just be careless inking of the printing plates. There is much confusion over some of these color variations. What one will call blue, another will call green. Most all these conflicts are the blue-green peices mentioned above.

73.	Campbell & Campbell	Green

Both a blue and red Jack Horner have been reported but not confirmed.

A red Tenino Cash Market has been reported but not confirmed.

SALES TAX TOKENS OF WASHINGTON STATE

(Concluded)

99.	Thurston <u>Co.</u>	Independent		Medium green	Redeemable
100.	"	"	"	Dark blue-green	Redeemable
101.	"	"	"	Dark blue-green	REDEEMABLE
102.	Thurston <u>County</u>	Independent		No town name	Green
				on reverse donkey head right in red ink	
103.	Thurston County	Independent	TENINO	Red	Blank reverse
104.	"	"	"	Purple	" "
105.	"	"	"	Green	
				reverse - hatted donkey head right in red	
106.	Same obverse			Green	
				reverse - Hatless donkey in red	
107.	Same obverse			Green	
				reverse - walking donkey right in red	
108.	Same obverse			Green	
				reverse - walking donkey left in red	

The above reverses with the donkey and in some cases the words "Is his face red" is a political comment with several meanings as follows. There were charges of socialism and communism over the tax laws. There was comment on the fact the regular issue aluminum tokens were not available for circulation on time and emergency means had to be taken. There were charges and a court test claiming the tax law and token issue was unconstitutional. You can use your own interpretation of the meaning meant by the issuer.

109.	E E Walker, Watkins Dealer	Green (maybe blue-green)
110.	White Front Garage	Red

Concerning rarity - the Thurston County Independent is the most common issue. There is only one or two specimens known of the Empire Inn. The green Jack Horner and red White Front Garage are rare. Most of the other issuers tokens are available occasionally, but some color varieties are rare. Collectors would be advised to just attempt a set of different issuers since it would be nigh impossible to complete a set of all color varieties.

Your Editor knows of one collection containing 11 of the twelve issuers and another with nine out of twelve. No complete issuers sets are known.

Members who can report color varieties and any other issuers are asked to report same to the PNNA President.

A word of explanation on the listing of wood. On the McLain issue some come spelled all in capital letters - McLAIN and some come in lower case letters - McLain. Tenino comes both ways - TENINO and Tenino. And in Thurston County Independent issues - some come with County abbreviated Co., some have REDEEMABLE and some Redeemable, and some come with and without town name.

Next issue, we will commence a listing of the Lewis and Clark Exposition of 1904-05.

President's Message

Plans are progressing nicely for the 1974 PNNA Convention to be held May 17-19 at the Hyatt House, located just to the North of the Seattle-Tacoma Airport in Seattle. If the first two B.U.M.S. (Boeing, University, Manhattan, & Seattle Coin Clubs) meetings are any indication, it will be the greatest PNNA yet. The enthusiasm shown at these meetings has been tremendous. If you have any questions pertaining to the PNNA or the BUMS, just direct them to the PNNA President at the address below. General Chairman for the convention is Marge Farnam; Bourse Chairman is Clarence Heppner; Educational Forum scheduled by Tom Sheehan, Club Representative Luncheon chaired by Byron Johnson, the local ANA Representative; Exhibit Chairman is Dick Beach; and all other committees are assigned and working diligently. If you would like to help, just let us know that you would like to be part of the work and fun. We are pleased to announce that Mrs Virginia Culver the President of the ANA will be in attendance.

Don't forget, the contest for the design of the 1974 PNNA Medal will close on October 20th. All entries must be in the hands of the President by that date.

By the way, our candidate for ANA Board of Governors, Byron Johnson, only missed election by 0.4% of the total vote. This year saw the largest vote turnout in history.

At the PNNA Board Meeting in Yakima, it was decided to donate the PNNA Library (14 cases of books and publications) to the ANA Library so everyone would have better access to some of the fine books we have. The ANA has a full time Librarian to handle loans of books and the only charge is postage both ways. Thanks are due James Petshow who has been the PNNA Librarian these many years.

The next BUMS Meeting will be November 3rd at 4PM at my place. On January 12th at 4PM there will be a combination BUMS and PNNA Board Meeting at the Hyatt House so all can see the facilities and what we have to work with. You are all invited to attend.

Marge Farnam, 20121 1st Avenue South, Seattle, Wa 98148

Editorial Ramblings

This issue we begin a listing of numismatic material issued for the Lewis & Clark Centennial Exposition held in Portland, Oregon from June to October 1905. Thanks are due the author, Terry Trantow, for his months of work researching, cataloging, and letter writing to prepare this checklist. The list will run through at least two issues of the NEWS. The HK numbers in the list are a cross reference to the Hibler-Kappen catalog of So-Called Dollars. You will note there are many unlisted pieces. PNNA members in Oregon who collect that State's items should keep an eye out for some of these peices as they are from scarce to rare. As many collectors know, the hunt is half the fun.

If you are working on a catalog article on Northwest Numismatics, let us know if we can publish your work in the PNNA News for the benefit of our members.

Demostenes, the famous orator, practiced public speaking with pebbles in his mouth according to legend. Now the real reason he practiced with the pebbles, was so his speech would sound similar to rich gentlemen of the time. Demostenes had been cheated out of his inheritance when his father died and only had a small income. As numismatic historians tell us, the ancient Athenians carried their coins in their mouths. The richer you were, the more you mumbled and slurred your words. Demostenes put on the semblance of riches by substituting pebbles and became one of the most famous counterfeaters in numismatic history.

Please add April 6-7, 1974 to your calendar we have enclosed. The Vancouver Numismatic Society will hold their Coin Show on that date at the Oakridge Auditorium in Vancouver, BC.

Checklist of Tokens and Medals of the
Lewis & Clark Centennial Exposition

Portland, Oregon 1905

Terry N. Trantow

In the June, 1968 issue of TAMS there appeared a catalog of Lewis & Clark exnumia. Since that time, additions and corrections have increased the number of pieces known by only a few. This checklist will update the TAMS article, but does not list such items as pinbacks, tickets, or badges, although these items in some cases were the only pieces made for a special event.

Where mentioned, the official symbol is the figures of Lewis & Clark and the Goddess of Liberty facing Westward. The motto, "Westward the course of empire takes its way" may or may not appear.

Plans are well under way for next year's PNNA Convention to be held May 17-19 at the Hyatt House adjacent to Seattle-Tacoma Airport. The four host clubs--Boeing, University, Manhattan, and Seattle are working well together and promise a fine show. Scheduled are an educational forum of first rank, a large number of exhibits, and a goodly number of dealers in the bourse. A luncheon for representatives of all area coin clubs will be held for the swapping of ideas and programs. We invite you to plan to attend. Bourse applications can be made to the PNNA President, Marge Farnam, 20121 1st Avenue South, Seattle, Wa 98148.

The PNNA Board has voted to donate the PNNA Library of 14 cases of material to the ANA Library where it will be more accessible for loan. Thanks are due James Petshow for handling the material these past years.

Our local candidate for the ANA Board, Byron Johnson, just missed election to office by 0.4% of about 14,000 votes cast. Byron received 5406 votes for which he thanks all of you.

The PNNA Slide series on Washington State Depression scrip will have a showing Oct. 20th at the Aberdeen Coin Club meeting, it has also been requested by the Coquille Valley Numismatists. Collectors in the area are invited to attend the meeting of the Grays Harbor Numismatic Society to see this program. The meeting site is the Aberdeen Federal Savings and Loan at 7:30 PM. I should mention that another slide series is under production on the tax tokens of Washington State with emphasis on the private issue cardboard and wood specimens as well as several pattern issues. Hopefully, it will be finished before year's end.

An interesting series of medals has been struck for the National Parks of the country. Individual bronze medals can be ordered by those wishing just medals of this area. Some of the parks commemorated are Crater Lake, Glacier, Mt. Rainier, North Cascades, and Olympic. All the other parks have medals too. Order blanks are available from Roche Jaune, P O Box 843, Kalispell, Montana 59901. Silver specimens are available also, but only in complete sets.

It's always news when an area numismatic item brings a record price. A couple months back they auctioned off the only Idaho Territory National Bank note that has turned up. Price was \$12,000. Also in the sale was one of the four known Washington Territory NB notes. It brought \$3600. It isn't just Lincoln cents that are valuable. Maybe you should invest in a few good numismatic books and learn what is rare and desirable.

The Seattle Convention Bureau has asked about bidding for the 1978 or '79 ANA Convention to be held maybe at the Seattle Center. Some of the area clubs are voting now whether to sponsor this bid. Let the PNNA President know your thoughts regarding this possible bid at her address above.

The next issue of the PNNA News due in a couple weeks will have the start of a catalog on Lewis and Clark Exposition medals of 1904-05. Anyone who wishes to join the PNNA and receive the News can send \$2 to the President.

One area of collecting that has escaped most people is the credit slips used by Grocery stores to make change for food stamps. You cannot own Federal food stamps unless you are on the program. But the change slips are legal to own. Every store uses their own. Safeway, Tradewell, A & P, and all the rest. The Safeway in Seattle uses different ones than the Safeway in Portland. Ask your grocer what he uses and ask to buy a set. Neil Shafer of Whitman Publishing is presently working on a catalog of these.

WOULD YOUR CLUB BE INTERESTED IN SPONSORING A PNNA CONVENTION IN 1975?

Any additions or corrections to the above Club Calendar should be directed to the President. We also plan to list club meeting dates shortly. Please make sure your meeting information is in the hands of the President before November 1.

President's Message

49

I am pleased to announce that ANA President Virginia Culver will attend the PNNA Convention to be held May 17-19 at the Hyatt House Hotel, adjacent to the Seattle-Tacoma Airport. We are planning a reception where you can meet her. It is set, tentatively, for the evening of May 16th, the day before the convention opens. However, it is not definite yet as we have not received confirmation of her arrival time. We have many other things in store for you at this, the 29th Annual PNNA Convention. We have planned an educational forum, a study session on exhibit judging, a club representative's luncheon, lots of fine exhibits, and a large bourse. The four host clubs, Boeing, University, Manhattan, and Seattle Coin Clubs (the BUMS) have many willing workers and promise a good show. Make your reservations at the Hyatt House now and join in the festivities. Brochures are enclosed for your convenience.

We plan to list all convention activities, times, and dates in the next issue as soon as room assignments have been made. Not mentioned above is a Token Collectors meeting on May 19th. The Franklin Mint will have Ralph (Curly) Mitchell in attendance with a large display.

Applications for bourse space or reservations for exhibit space can be mailed to me.

The PNNA Board will meet with the BUMS Committee January 12th at the Hyatt House Hotel (4 PM) to finalize arrangements.

We have received bids for future PNNA Conventions for 1975 and 1976. If your club is interested in hosting the PNNA Convention contact me. The PNNA Board will vote on bids shortly.

As this year draws to a close, we look back at a successful year for the PNNA. We instituted the PNNA Bulletin mailed to all coin clubs in the area for distribution to their members. The Spokane convention was well attended. Future convention sites are assured. We hope you will join with us in making 1974 a happy new year.

Marge Farnam, 20121 1st Ave. So., Seattle, Wa 98148
PNNA President

Editorial Rambling

This issue we conclude our two part catalog of Lewis and Clark Exposition medals of 1905. We thank Terry Trantow for this fine work. We have several articles in the works for next time and are not sure what is scheduled. If you have any additions or corrections to make to any of our listings please do so by writing the President of PNNA.

We have an author preparing a list of Masonic chapter pennies which may be our next listing. This list will include Idaho, Oregon, and Washington, as well as British Columbia. It will be a checklist of pieces seen and not a complete catalog.

The official Washington State Bicentennial medal is now offered for sale. There are four different medals all of the same design. A 1½ inch bronze at \$2.85, a 2½ inch bronze at \$10.95, a 1½ inch silver at \$15.95, and a 2½ inch silver at \$47.70. Prices include postage, handling, and tax. Medals can be ordered from WSARBC Commemorative Medal, 315 North Stadium Way, Tacoma, Wa 98403. The medal design is the work of James Wehn, of Seattle, who died last October 2nd at the age of 90. The medals show a bust of George Washington on the obverse and a fasces without ax on the reverse.

Your editor joins with the PNNA President in wishing you a Happy New Year.

Again we make a call for articles for the PNNA News. Our file of articles is almost depleted. We especially need articles on Oregon, Idaho, and British Columbia material. We are fairly well fixed for Washington State.

Virgil Hancock of Bellaire, Texas, leading authority on counterfeit coin detection, will again this year be in Vancouver, B.C., to conduct the Second Annual V.I.C.E. counterfeit seminar. The dates are May 25-27 which coincides with the U.S. Memorial Day weekend. Cost of the seminar is \$50 which covers the course only. Students will be responsible for their own accommodations and meals. Reservations should be made early as there is a limit on how many can be accepted. Write Vancouver International Coin Enthusiast's Society, P O Box 35484, Vancouver, B.C., Canada V6M 4G8. Dennis Lane and Arthur Honour are responsible for local arrangements.

The PNNA Slide Program on Washington State Tax Tokens is finished and will be available for showing shortly. There are still about half a dozen pieces which have not been available for photograph. An effort is being made to locate these rare pieces to make the show as complete as possible. Pieces still to locate are Augustine & Kyer, Bartell Drug, Murray's Markets, and Van Duyns Candy, all of Seattle, the Husk of Tacoma, and the Wilbur Commercial Club. If any PNNA member knows the location of any of these pieces please let us know so we can arrange for photos.

With this we close another year of the PNNA News. Don't forget to renew your membership of \$2 per year by mail to the President. HAPPY NEW YEAR!!

ANA President Virginia Culver will attend the PNNA Convention to be held May 17-19 at The Hyatt House Hotel adjacent to the Seattle-Tacoma Airport. A reception is planned so you can meet her. The day and time will be announced in this Bulletin as soon as the time is firm. Other attractions of the show will be a large Bourse, an Educational Forum, a session on how to judge exhibits run by a former ANA Head Judge, a Coin Club Representatives Luncheon where club problems can be discussed and solutions presented, a large exhibit area and much sociability. Four Seattle area coin clubs are host-- the Boeing, University, Manhattan and Seattle Coin Clubs (the BUMS). Bourse applications and reservations for exhibit space can be made to the PNNA President, Marge Farnam, 20121 1st Ave. So., Seattle, Wa. 98148. Make plans now to attend this show.

The Washington State Bicentennial Medal is now available. There are four medals offered. A 1½ inch bronze at \$2.85, a 2½ inch bronze at \$10.95, a 1½ inch silver at \$15.95 and a 2½ inch silver at \$47.70. Prices include postage, handling and tax. Medals and order cards with illustrations of the medal (all four are the same design) can be obtained from WSARBC Commemorative Medal, 315 North Stadium Way, Tacoma, WA 98403. This is the official State medal for the Bicentennial. Sculptor was James Wehn of Seattle. Mr Wehn also was the sculptor for the 1953 Wash. Territorial Centennial medal and the statue of Chief Seattle on Denny Way in Seattle is his work. Information on other State's Bicentennial medals will be published here when the information is released.

The January PNNA Board Meeting will try to set definite publication deadlines for this Bulletin. If you would like it to continue, please let us know. We are sorry this issue is slightly late.

The Seattle bid for a future ANA Convention was withdrawn when it was learned the facilities were not adequate. At present, there is no hotel with large enough meeting rooms.

PNNA Board Member Glenn Rome has been appointed to the ANA Membership Committee. And Board Member Byron Johnson has been appointed to the ANA Election Rules Committee.

The Vancouver International Coin Enthusiast's Society (VICE) has again this year scheduled a Counterfeit Seminar. The dates are May 25-27, 1974 to be held at the University of British Columbia. Virgil Hancock will be there to run the seminar. Cost is \$50. which covers the course only. Students will be responsible for their own accommodations and meals. The dates are the U S Memorial Day weekend, so the Monday is a holiday also. U S collectors should have no problem as last year getting time off work to attend. To make reservations contact V.I.C.E., P O Box 35484, Vancouver, B C, Canada V6M 4G8. Dennis Lane and Arthur Honour are the local arrangements officials. Get your reservations in early as space is limited. The PNNA heartily recommends this program.

The current issue of the PNNA News will have the concluding installment of Terry Trantow's catalog of Lewis and Clark Exposition medals of 1904-5. Anyone wishing to join the PNNA and received the NEWS can obtain a membership blank from your club officers or send \$2. to the President whose address is above.

The PNNA Slide series on Washington State Tax Tokens is finished except for the possible addition of some rare items which so far have not been available for photographing. An effort is being made to locate and add these approximate half a dozen pieces to the slide program.

THE PNNA OFFICIAL FAMILY WISHES ALL OF YOU A VERY HAPPY AND PROSPEROUS NEW YEAR.
HAPPY COLLECTING.
