### President's Message

by PNNA President Lisa Loos

I hope everybody had a great summer! Just because the weather is cooling off, doesn't mean the PNNA is. The PNNA has been busy the last part of the summer with final details of the upcoming (October) Willamette Coin Club/PNNA convention in Portland, the first board meeting for the new officers and directors, the presence at the Puyallup Fair and, finally, ongoing plans for the ANA National Money Show™ in Portland, March 13-15, 2009.

First, the show committee has been busy with final preparations for the WCC/PNNA Convention, October 17-19 at the Doubletree Portland Lloyd Center. Again, the show is completely sold out so no doubt we will all be able to find that missing piece for our collections. While you are perusing the floor, please make sure you visit the exhibit area. Topics are always varied and interesting.

Secondly, we had a very productive board meeting in August. The committees have been formed, and the committee members will be listed on the website within the next few weeks. Please read the minutes published in this edition of *The Nor'Wester*, to see the early accomplishments of the board.

Third, a HUGE THANK YOU to Greg Smith, Puyallup Fair Coordinator, for all his work and dedication that is needed to organize this effort. Of course, the event could not happen without all the volunteers. Thank you to all who gave their time to staff the booth in the Hobby Hall. Scott and I manned the table for the early shift one Saturday, and were two and three people deep the entire time!

Finally, preparations are going well for the upcoming ANA National Money Show™ in Portland. We will have a special "Oregon 150" exhibit award celebrating Oregon's statehood. Also, the convention medal design is in production and will be available for sale at the October WCC/PNNA Convention. {Look for the design on the PNNA website in the near future.}

See you in October!!!!

### PNNA Dues

PNNA membership dues are payable annually at the beginning of the year. It's not too early to send your 2009 dues to Rachel Irish, 101 West Prairie Center #323, Hayden, ID 83835. Reminder notices will be sent for those who haven't paid by December.

For those of you who prefer to use PayPal, the PNNA PayPal e-mail is [sales@pnna.org](mailto:sales@pnna.org), and there are payment buttons available on the PNNA website at <http://www.pnna.org/applic.html>.

### A British Token Congress in Seattle!!

Thanks to the efforts of British token dealer and enthusiast Bill McKivor, there will be a British Token Congress in Seattle, May 14-16, 2009, and Bill reports that plans are progressing nicely! This event is modeled after an annual event held in the United Kingdom, and will feature a number of educational programs, including a talk by Dr. Richard Doty of the Smithsonian. There will also be a bourse available only to program participants.

This event is jointly backed by the PNNA and the Conder Token Collectors Club (CTCC), and the cost to participants is \$395 per person (including Congress registration and meals) plus the cost of the Red Lion 5th Avenue hotel for two nights. For more information, contact Scott Loos at PO Box 2210, North Bend, WA 98045, ph. 425-831-8789, e-mail [scottloos@msn.com](mailto:scottloos@msn.com).

## 2009 PNNA CONVENTION

After another successful convention in Tukwila in April, the PNNA will hold its 2009 convention in the same facility on the weekend of 17-19 April 2009. Dick Billings will again serve as general chairman for 2009. Dealers who wish to receive a bourse application should contact Scott Loos at PO Box 2210, North Bend, WA 98045, phone 425-831-8789, or E-mail scottloos@msn.com.

## Exhibits at the 2009 Conventions

Now is the time to build your exhibits for next spring's ANA convention in Portland, and PNNA convention in Seattle (Tukwila). There are also opportunities to show exhibits at the Everett show (November) and the Boeing show (January); use these shows as proving grounds for your entries. Don't forget that the best exhibitor at the PNNA spring convention earns \$200 toward the expense of taking the winning exhibit to the ANA summer convention in the same year (the ANA will be in Los Angeles in August 2009).

## Puyallup Fair Thank-You!

It's Over! – The PNNA sponsored the annual coin exhibit and information table in the Hobby Hall from September 5-21, with assistance from several local coin clubs. We had handouts including magazine copies, event calendars, a coin club list and coins for junior collectors!

Greg Smith of the Boeing Employees Coin Club served as the new Puyallup Fair Hobby Hall volunteer coordinator, and was successful in filling 68 3-hour shifts during the Fair (versus 51 4-hour shifts in previous years). Thanks, Greg, for all your efforts, and thanks to all the volunteers from the following Puget Sound clubs: Boeing Employees' Coin Club, Olympia Coin Club, Tacoma-Lakewood Coin Club, Seattle Numismatic Society and the King County Coin Club.

No volunteer is knowledgeable about all aspects of numismatics – if your question wasn't answered or if you were unable to attend the Fair, please e-mail your question to [info@pnna.org](mailto:info@pnna.org), and it will be directed to a local expert for a response.

*Deadline for submission of material for 1st Quarter 2009 Nor'wester: December 15, 2008.*

## PNNA Board Meeting Minutes

23 August 2008, North Bend, Washington

Members in Attendance: Lisa Loos, President; Danny Bisgaard, Vice President; Michael Labosier, Secretary; Scott Loos, Treasurer; Larry Gaye, Past President; Richard Billings, Director; Del Cushing, Director; Craig Korstad, Director; William McKivor, Director; Gawain O'Connor, Director; David Ownbey, Director.

Members Absent: Rob Anglemier, Director; Steve Cox, Director; Mark Gruner, Dealer-Director; Eric Holcomb, Director, Editor, Webmaster; Michael Sanders, Director; Bruce Wonder, Director.

The board meeting was called to order by President Lisa Loos at 12:30 p.m. Lisa welcomed the new officers and directors, and introduced guests. The calendar of board meetings was reviewed, with four meetings planned for each year: 1) at the January Boeing Show, 2) at the Tukwila convention, 3) a summer meeting, 4) at the Portland fall convention. Lisa presented the current meeting agenda. A motion by Larry Gaye to approve the meeting agenda was seconded by Bill McKivor and passed.

A motion to approve the April 5, 2008 board minutes as published was made by Scott Loos, seconded by Bill McKivor, and passed.

Mike Labosier noted for the minutes that a motion by Scott Loos and seconded by Eric Holcomb to appropriate \$200 to fund awards for a special Oregon-themed exhibit class at the ANA National Money Show in Portland (March 2009) had been approved by the board via email vote in July. The objective is to tie into the "Oregon 150" celebration, commemorating the 150<sup>th</sup> anniversary of Oregon statehood.

Scott Loos presented the Treasurer's report. The PNNA currently holds a total of \$59,606 in various bank accounts and CDs. A motion by David Ownbey to accept the Treasurer's report was seconded by Bill McKivor and passed.

Convention Committee Report – Scott Loos reported on the financial results of the April 2008 Tukwila convention and discussed preparations for the October convention to be held in Portland. To increase the visibility of exhibits at the Portland convention, the exhibit tables will be moved next to the ANA table. Scott then reviewed planning for the 2009 convention, which will again be held in Tukwila. There was a discussion of convention costs, and of various services that are either paid for by the PNNA or provided by sponsoring clubs or other volunteers. The Olympia Coin Club will run the hospitality suite at the 2009 Tukwila convention. Dealer table fees have continued to increase, and this was discussed along with the pos-

sibility of increasing charges to dealers for "Early Bird" badges. It was decided to continue the discussion of "Early Bird" fees at a later date. In 2009, Tukwila convention dealers will be admitted for setup at 8:00 a.m. (and possibly earlier) on Friday, with "Early Bird" badge holders admitted at 9:00 a.m. Dick Billings will serve as General Chairman and Mike Labosier volunteered to serve as Assistant General Chairman.

Exhibit Committee Report – Scott Loos presented to the board a written exhibit committee report prepared by Eric Holcomb, who was unable to attend. Plans for exhibits at the October convention, and for the ANA National Money Show to be held in Portland next March were reviewed. A June exhibit seminar had been held in Portland, with another planned for October. Scott proposed a motion that \$100 be appropriated for exhibit awards at the October Portland convention. The motion was seconded by Danny Bisgaard and passed by the board. Also discussed were plans for the special "Oregon 150" exhibit class, commemorating Oregon's 150<sup>th</sup> anniversary of statehood, at the March 2009 ANA show.

Outreach Committee Report – Scott Loos and Del Cushing reported on PNNA's longstanding participation at the Puyallup Fair's Hobby Hall. While the time commitment is large to cover time slots throughout the Fair's run, our table attracts considerable interest from the public each year. Member clubs staff many of the required shifts at the Fair. Greg Smith of the Boeing Employees Coin Club is the volunteer coordinator.

Token Congress – Bill McKivor reported on the upcoming British Token Congress to be held in Seattle in May 2009. This very special event is modeled after an annual Congress held in the United Kingdom, and is jointly sponsored by the PNNA and the Conder Token Collectors Club.

Old Business – Del Cushing reported that storage racks for the display case storage locker have not yet been purchased. Scott Loos updated the board on plans and preparations for the March 2009 ANA show in Portland. The show will be co-sponsored by the PNNA and the Willamette Coin Club. Scott will serve as Bourse Chair for the event. The design of the commemorative medal for the Portland show has been decided, and illustrations of the design were distributed to the board. Scott proposed a motion that \$6,000 be authorized to cover PNNA's share of production costs for the medals. Craig Korstad seconded the motion, which was then passed by the board. The proceeds of the sales will be split between the PNNA and the Willamette Coin Club. Volunteers will be needed at the show, and anyone interested can contact John Wasserman or any member of the PNNA board.

New Business – Lisa Loos led a discussion of the benefits of purchasing a second digital (PowerPoint) projector to help promote educational numismatic presentations. The club currently owns a projector that is stored in Oregon and shipped to Seattle as needed. The board discussed the value of keeping a second projector in Seattle, with the cost expected to be recovered over time through savings in shipping costs that would otherwise be incurred. Bill McKivor proposed a motion to authorize the expenditure of up to \$1,000 to purchase a digital (PowerPoint) projector to be kept in Seattle for local use. Scott seconded the motion, which was approved by the board.

The board then discussed a proposal to let member clubs use the PNNA's display cases for free. This would be an accommodation to member clubs, enhancing the value of their membership in the PNNA. It was suggested that to manage this properly, sign out forms would be needed to document and track the cases loaned out. Del Cushing and David Ownbey agreed to draft an agreement/contract form for the board's review prior to a final vote at the October board meeting in Portland.

President Lisa Loos presented a list of committees for the 2008 – 2010 term and discussed the focus and responsibilities of each committee. In this context, Lisa solicited ideas about how the PNNA can best serve the club/collector community through the next two years. A number of ideas were discussed, including better promotion of seminar attendance, staffing a table at shows to explain grading and answer general questions, club outreach possibilities, and sponsorship of exhibit seminars. Numismatic theater ideas were discussed, including a session on current "hot topics" in numismatics, new counterfeit threats, etc. There also was interest in obtaining statistics on website hits for the various PNNA site pages and sections.

Each board member was asked to serve on two committees of their choice. Some members made their selections during the meeting. Lisa asked the others to follow up with her as to their preferences and noted that she will make assignments for those board members who do not make timely selections.

Next discussed was the possibility of having a membership meeting during the Portland convention each year to supplement the annual membership meeting held during the Tukwila convention. There was general support for the idea, but scheduling and a starting point for this has not been determined.

Copies of the PNNA Constitution and By-Laws (revised 4/3/1999) were distributed to all board members. Lisa suggested that each board member read these and notify her of any points of discussion, suggestions for revision, etc.

There being no further agenda items, Lisa thanked the members for their attendance and participation and adjourned the meeting at 3:40 p.m.

There will be a PNNA Board meeting at the Portland fall convention on Saturday, October 18 following the 6:00 PM bourse closing. The meeting will likely take place at the DoubleTree Inn. See Lisa or Scott Loos at the convention for more information.

– Michael Labosier, Secretary

### ANA Governor Radford Stearns Dies

Dr. Charles Radford Stearns, a member of the ANA Board of Governors, died on Aug. 31 after a long illness. He was 67 years old.

"We have all lost a special person and dedicated numismatist," said ANA President Barry Stuppler. "As a board member I was able to see his passion for helping the ANA provide better services and educational programs for its membership. Our board and the entire numismatic community will sincerely miss him."

Radford Stearns was born in Evanston, Ill. in 1940. He attended the University of Notre Dame and graduated from the Chicago College of Dental Surgery (Loyola) in 1967. He served as a Naval Officer in Albany, Ga. from 1967-1969, and practiced dentistry in Lilburn, Ga. until his retirement in 2006. In his time away from dentistry and numismatics, he enjoyed adventure travel, scuba diving, wildlife photography and the Georgia Aquarium; he also supported the Leukemia and Lymphoma Society and the Lilburn Relay for Life.

A prolific exhibitor and collector of Georgia Colonial paper money, Dr. Stearns is a former winner of the ANA Howland Wood Best in Show exhibit award. He also was a collector of Russian money. He was an exhibitor at shows across the country, including conventions held by the Central States Numismatic Society (CSNS) and Florida United Numismatists (FUN). Stearns received the ANA Good Fellowship Award in 1987 for serving as General Chairman of the Association's 96th anniversary convention in Atlanta; he served at various ANA conventions as Assistant General Chair, Educational Forum Chair and Exhibit Chair.

Stearns was elected to the ANA Board of Governors in 2007; as Governor he was co-chair of the Educational Committee. He conducted numerous educational programs for the ANA, CSNS, FUN, and other organizations. Stearns served in many capacities for the Georgia Numismatic Association and Blue Ridge Numismatic Association, and was appointed by President Gerald Ford to the United States Assay Commission. The ANA presented Stearns with the Glenn Smedley Memorial Award in 2004 and two Presidential Awards in 1995. *Numismatic News* bestowed its coveted Ambassador Award to him in 1988.

### Alan Herbert Accepts Seat on ANA Board of Governors

Alan Herbert of Belle Fourche, S.D., was installed as a member of the ANA Board of Governors during a teleconference Board meeting on Sept. 11. At the request of ANA President Barry Stuppler, Herbert was installed by Past President Adna G. Wilde, Jr. following a moment of silence for Dr. Radford Stearns, who passed away Aug. 31.

In accordance with ANA bylaws, any vacancy on the Board of Governors is offered to the person who failed to be

elected as a Governor by the least number of votes in the most recent election. Herbert received 2,243 votes in the 2007 election, the most votes of any unsuccessful candidate.

Herbert previously served on the ANA Board of Governors from 1999-2001 and from 2003-07. He is a Life Member and former chair of the Consumer Affairs Committee, Information Technology Committee, Membership Committee and Terms and Standardization Committee. He is known as "The AnswerMan" in his popular columns for *Numismatic News*, *World Coin News*, *Bank Note Reporter* and *Coins Magazine*.

### World's Fair of Money® (ANA Convention)

Several PNNA members attended the Baltimore ANA anniversary convention (July 30-August 3) and had a good time, learned a few things, participated in important meetings, and maybe even made some new acquisitions or some important sales! The convention was generally successful, with good bourse activity, a record auction with proceeds exceeding \$40 million, and many other activities, such as educational programs and exhibits. According to a report in *Numismatic News*, dealers gave mixed assessments of the show. "Nobody seemed to have had a bad show, but nobody claimed it was the best show ever, either." Traffic on the bourse floor was moderate, and public attendance was good, but less than for the highly successful 2003 Baltimore convention. High gas prices no doubt contributed to a drop-off in public attendance.

Your editor, Eric Holcomb, participated in the collector exhibits with an exhibit of Medallion Art Company medals commemorating the Apollo space program, and also judged a different class of medals and decorations, which was highlighted by an excellent exhibit of original Ferris Wheel medals, and by an excellent exhibit of Olympic participation medals (OPM's). (The first Ferris Wheel was built for the 1893 Columbian Exposition in Chicago, and OPM's are awarded to athletes and certain other participants at both the Summer and Winter Olympic Games.) There were also a number of "marquee" exhibits, including an amazing exhibit of early U.S. proof coins from the Smithsonian's National Museum of American History. Eric is the exhibit chairman for the upcoming ANA National Money Show™ in Portland in March 2009, and encourages collectors to prepare exhibits for that show.

Eric also participated in the ANA Club Representative Program breakfast on Saturday morning. (Eric is editor of *MintMark*, the quarterly club rep program newsletter.) The ANA board of governors recognizes the importance of the club rep program, and is trying to strengthen the program and improve communications with numismatic clubs and collectors.

See the official ANA website, [www.money.org](http://www.money.org), for additional information and press releases regarding the Baltimore convention and future ANA conventions.
