President's Message

by PNNA President Lisa Loos

After a very long and typical Pacific Northwest Spring—for those outside the area this means RAIN, RAIN, and more RAIN—it looks like Summer has finally arrived. I hope all of you can/will take advantage of all the things Mother Nature has to present.

Now, onto the news:

At the Tukwila convention, new officers and board were inducted to lead the PNNA the next two years. I am pleased to announce that we have a great board for the 2010-2012 term that will represent the PNNA very well. Danny Bisgaard continues as Vice-President, Michael Labosier as Secretary, and Scott Loos as Treasurer. The board consists of several new directors who are eager to invest their time to continue to make the PNNA a great organization. I would personally like to welcome the new board: Bruce Wonder, Gawain O'Connor, Bill McKivor, Mark Gruner, John Enges, James Reinders, Dale Reubish, Rick Schulz, Dennis Stevens and Dan Vornbrock. I thank all of you for your dedication to the hobby and to your service to the PNNA.

The Spring PNNA convention was held this past April. As usual there was a flurry of activity with steady crowds all three days. The show continues to be an outstanding venue, and many thanks to the Convention Committee and all the volunteers who make it happen. A special thank-you needs to go out to the King County Coin Club for serving as host club; The Boeing Employees Coin Club for assisting with the YN treasure hunt; and the Olympia Coin Club for providing all the treats and manning the dealer hospitality room. Without your efforts, the convention would not be a success. Thank you for your hours of preparation and labor.

Our next big event is the Puyallup Fair. This means that we need to man this table the duration of the Fair. This is a great way for the PNNA to educate the public about numismatics, and to use as a recruiting tool. Rick Schulz, Puyallup Fair Coordinator, will begin visiting local clubs to solicit volunteers. If you have not done so

in the past, I encourage you to sign up for a shift to be part of this great event. Please contact Rick at 253-535-0690 or richardf53@yahoo.com if you would like to volunteer.

Have a fantastic Summer!!!! Please be safe.

PNNA 2010 Annual Awards Summary

by Danny Bisgaard

Presidential Awards – President Lisa Loos reports that “I have not presented any Presidential Awards this year. However, last year the recipients were Mike Pepka, Greg Smith, Dick Billings and Del Cushing.”

Nina Nystrom Memorial Award – No award.

Bob Everett Memorial Award – Richard “Dick” Cowley, longtime officer of the Olympia Coin Club and director of the club’s successful National Coin Week efforts, received the Bob Everett Memorial Award at the 2010 Tukwila convention.

Scholarships – This year’s adult scholarship winner is Francisco Lazzara. He is attending the ANA Summer Seminar in Colorado Springs. There were no applications for the YN scholarship this year.

National Coin Week – Once again, only one entry for this contest and it was submitted by the Olympia Coin Club. They had a new location for their display at Tumwater High School. Only printed materials were used this year because of the unavailability of locking cabinets. The display was put up on Friday April 16th and taken down April 26th. The display was in keeping with the National Coin Week theme “Beautiful Places: Landmarks and Mintmarks.”

Public service announcements were run on the two most popular radio stations during the week. Each station was provided prizes for callers that responded to the announcements. The prizes consisted of sets of quarters for various years. Each prize contained a set of silver plated, gold plated and regular quarters for either 2000, 2001, 2002, 2003 or 2004.

The pictures in the display were of Mt. Rushmore and a series of slides that discuss landmarks, mintmarks and the national park series.

In addition, members of the club donated numismatic publications to the Tumwater High School Library.

Once again, thanks for taking the time to nominate or submit an application for these important PNNA awards. The membership is the life blood of the PNNA. Your interest and knowledge and continued education are the reasons these awards are made available to all of you.

More information about the various PNNA awards can be found on the PNNA website at:

Call for Puyallup Fair Volunteers

Rick Schulz of the Tacoma-Lakewood Coin Club is the Puyallup Fair Hobby Hall volunteer coordinator. Volunteers are needed to work 51 four-hour shifts (3 per day for 17 days, September 10-26) at the Hobby Hall coin collecting table, greeting the public and presenting a positive image of our hobby. Extensive numismatic knowledge is not required – we have handouts with a phone number and e-mail that people can use to get more information. We also usually have foreign coins for kids!

All volunteers receive two free Fair admission tickets per shift, and may also receive one or more parking passes if volunteering for at least two shifts. Admission is good for the entire day, so there’s plenty of time to “cruise” the Fair before or after working.

Shift times are usually 10 AM to 2 PM, 2 PM to 6 PM and 6 PM to 10 PM (11 PM Friday and Saturday). Although you can sign up at certain coin club meetings including the Tacoma-Lakewood, Olympia and Boeing Employee club meetings, it may be easiest simply to contact Rick by phone at 253-535-0690, or e-mail richardf53@yahoo.com if you would like to volunteer.

First-come, first-serve with respect to dates/shifts!

PNNA-Willamette Fall Convention

Put October 23-24 on your calendars ... the 6th Annual PNNA/Willamette Coin Club Fall Convention and Coin Show will be here before you know it. This year will feature an expanded bourse, YN program, Scouting Clinic and expanded exhibit area – more details will follow in the fall issue of *The Nor'Wester*.

Call for IDEAS: YN programs for Portland Show in October — submitted by James Reinders

If you can help, don’t delay ... drop James a note or call him! This year we have gone ahead and secured a dedicated room for youth activities for all day on Saturday October 23 for use in conjunction with the 6th annual Fall Convention and Coin Show. This is a first for us. We are looking for ideas, advice and volunteers to help put on a strong YN program. I envision a Boy Scout and a Girl Scout clinic, but would like to do more, and for that I need ideas and help! Please contact James at 503-629-8757, or e-mail (reinders AT acm.org) and help out with this worthy activity!

The fall show is: October 23-24, 2010, PNNA-Willamette Coin Club, 6th Annual Fall Convention and Coin Show, DoubleTree Lloyd Center Hotel, 1000 NE Multnomah Street, Portland, OR.

2010 Convention Exhibit Report

by Larry Rowe, Exhibit Chairman

Once again, the exhibits at this year's PNNA convention in Tukwila were of excellent quality, but not very many were entered. Exhibitors at ANA work very hard for many weeks and months to construct their displays and are very excited about the competition. What is lacking at PNNA that more collectors don't enter exhibits? Perhaps it is because we are drawing from a smaller membership base than ANA. This exhibit chairman has done several things over the years to stimulate exhibiting without any great results. It would be a shame to discontinue exhibiting at PNNA; it is part of the convention experience. If you have any suggestions on how to improve competitive exhibiting, write to PNNA president Lisa Loos and offer your suggestions to her. I have served as your Exhibit Chairman for many years now, and it has been my pleasure to work with all who have exhibited. This is my final year that I volunteer for any numismatic committee. The time comes when you must pass on the duties to younger people. I have served in many capacities and enjoyed every bit of it.

The following are the results of this year's competitive displays.

Competitive Exhibits

Class 1 - United States and Canadian Coins

1st Place – Thomas A Tullis, “The Bald Eagle as Portrayed on Classic U.S. Commemorative Half Dollars”

Class 2 - United States and Canadian Paper Money

No entries.

Class 3 - Tokens, Medals and Decorations

No entries.

Class 4 - World Coins and Paper Money

1st Place – Gerald R. Williams, “Rebellion & Expansion: The Greeks in India”

Class 5 - General or Specialized

1st Place – Tom Sparks, “The Short Snorter Project”

Class 6 - Pacific Northwest Numismatic Material

No entries.

Best Tokens and Medals

C.E. “Hepp” Heppner Memorial Award

Not awarded.

Best of Show

Byron F. Johnson Jr. Memorial Award

Tom Sparks, “The Short Snorter Project”

It should be noted that although there were no 2nd or 3rd place awards, the 1st place winners had to score a minimum average of 75 points by the judges to qualify for 1st place.

There was also a non-competitive exhibit displayed:

J. Eric Holcomb, “Apollo 13 40th Anniversary” {Eric is the Chief Judge and is unable to exhibit competitively.}

The first case of Eric's non-competitive exhibit. For more exhibit photos, see page 4 and the PNNA website exhibit section.

Congratulations to all winners. They will receive award plaques for their entries.

I wish to thank Tom Sheehan and Del Cushing for volunteering to serve as judges, and also Eric Holcomb for serving as Chief Judge. Their work is very much appreciated.

PNNA Website Articles

Two new articles are available as PDF files on the PNNA website. (The second one is scheduled to be posted this week as *The Nor'wester* is mailed.)

1. “Bank Notes of Algeria and Tunisia (as French colonies)” by Steve Cox. This is a very interesting 10-page article with banknote illustrations in color.
2. Editorial Opinion by Jerry Bobbe as published in *The Conder Token Collector's Journal* in two parts — “HOW AND WHY GRADE MUST EQUAL PRICE” and “TRASHED TOKENS.” Although this is specialized to “Conder” tokens (British provincial tokens of the late 18th Century), it has much content that is relevant to grading and preservation of other coins and tokens. A very worthwhile read!

PNNA 61st Annual Convention, April 16-18, 2010 in Tukwila

The biggest annual coin show in the Pacific Northwest, sponsored by the Pacific Northwest Numismatic Association (PNNA) and now in its 10th year in Tukwila, was once again a big success, with strong attendance especially on Saturday. Total three-day attendance was estimated at 1,200. Things were a little warm on the bourse floor due to a problem with the ventilation system, but the numismatic action was also hot, with a strong market recovery and strong bullion prices.

In addition to bourse activity, there were exhibits, awards, club meetings on Saturday, and a popular Young Numismatists (YN) program.

- Attendees at one of the popular club meetings are pictured below.
- Juniors on the bourse floor were excited to have the opportunity to complete a set of numismatic items as part of the Young Numismatist (YN) "Treasure Hunt" game. Participation was excellent as always!
- There were four collector exhibits this year (three competitive), all of which were quite interesting!
- Attendees once again received custom designed and struck pewter "tokens" while supplies lasted!

Special thanks to Mike Labosier for taking over as general chairman for the 2010 convention.

The PNNA is pleased to announce that the association's annual convention will again be held at the Tukwila Community Center, April 8-10, 2011.

Attendees at the Colonial Coin Collectors Club (C4) meeting gather round the table to study some colonial paper money.

Tom Sparks won "Best of Show" for his four-case exhibit on "The Short Snorter Project."

Richard "Dick" Cowley, longtime officer of the Olympia Coin Club and director of the club's successful National Coin Week efforts, received the Bob Everett Memorial Award.

New PNNA officers for the 2010-2012 term were installed at the general membership meeting on Saturday. (Photos/video will be added to the website.)

PNNA Board Meeting Minutes

17 April 2010, Tukwila, Washington

Members in Attendance: Lisa Loos, President; Danny Bisgaard, Vice President; Michael Labosier, Secretary; Scott Loos, Treasurer; Steve Cox, Director; Mark Gruner, Dealer-Director; Eric Holcomb, Director, Editor, Webmaster; William McKivor, Director; Gawain O'Connor, Director; Bruce Wonder, Director.

Members Absent: Rob Anglemier, Director; Del Cushing, Director; Larry Gaye, Past President; Craig Korstad, Director; David Ownbey, Director; Michael Sanders, Director.

Guests in Attendance: Alec Gruner, Jason Mavity, Debra O'Connor, Walter Ostromecki, Dennis Stevens, Dan Vornbrock.

The board meeting was called to order by President Lisa Loos at 8:05 a.m. Lisa welcomed the directors and introduced guests, who are noted above.

Officer Reports:

Mike Labosier called for any changes or corrections to the minutes of the January 16, 2010 board meeting as published on the PNNA website. No changes were reported and the minutes were approved (Bill/Scott). Mike had no club correspondence to report.

Scott Loos presented the Treasurer's report. Club revenues for first quarter of 2010 totaled \$22,781, mostly from convention income. Expenses for the three month period were \$2,837. At March 31, the Association's cash balances totaled \$78,340, invested mostly in CDs and a money market account. Fund balances also totaled \$78,340, with \$66,853 of that in the general fund. The Treasurer's report was accepted by the board (Danny/Mark).

Committee Reports:

Election – Bill announced the winners of the 2010 PNNA Board election: (See list of officers on page 1.)

There were six retirements from the board, some after many years of service to the PNNA. Leaving the board were: Rob Anglemier, Steve Cox, Del Cushing, Craig Korstad, David Ownbey and Michael Sanders. Bill noted that 70 of the 226 ballots sent out were voted and returned, a better result than in the last several elections. Improvements to the process this year included providing brief biographies of the candidates with the ballot, and providing pre-printed labels for returning the ballots by mail. Lisa thanked Bill for his work in chairing the committee and for the innovations he introduced.

Membership – Lisa unveiled the new tri-fold membership flyers, made available for the first time to visitors at the convention. The flyers explain the benefits of PNNA membership and include a membership application. Lisa had also sent personalized letters to all PNNA Life Members inviting them to the show. Life Members who attended were given special badges that entitled them to free early bird admission to the show and access to the dealer hospitality room.

Publication – No official report. It is noted for the minutes that Eric produced a 16-page convention special edition of *The Nor'wester*. Eric also put together some envelopes of information for visitors to the show, which included copies of *The Nor'wester*, along with various other handouts and flyers. The free e-mail membership offer was continued with paid admission to this year's Tukwila convention.

Education – Scott is continuing his work with the ANA to explore offering an educational program to be co-sponsored by the PNNA and the ANA. The topics under consideration would likely be counterfeit detection and/or conservation. As to timing, any offering would likely be in the September/October timeframe and would be planned as a stand-alone event, not offered in conjunction with a coin show.

Convention – Mike reported that the first day of the 2010 convention had attracted 350 paid admissions. A new decorator was used this year, and everyone seemed please with their work. The dealers seemed pleased with the show planning and set-up work, and with the registration process. The most pervasive negative comments concerned the temperature in the bourse, which was uncomfortably warm. The facility's manager had been contacted to investigate the problem and explore ways to make the room more comfortable for the remainder of the show. Scott noted that the dealers had reported mixed business results from Friday's activity.

Awards/Scholarships – Danny reported that the winners of the Bob Everett Memorial Award and the adult Summer Seminar Scholarship would be announced at the annual General Membership Meeting and Awards Presentation on Saturday evening. Danny also noted that no applications had been received for the YN Summer Seminar Scholarship. There was some discussion as to whether or not two adult scholarships should be awarded in the absence of any YN candidates. It was decided to make no changes for now, and to award only the adult scholarship this year.

Exhibits – No official report. It is noted for the minutes that Larry Rowe is serving as Exhibit Chairman at the annual convention. Exhibits will be setup and awards determined on Saturday. {See page 3.}

Outreach – Lisa reported that Greg Smith is ready to pass the baton to a new volunteer to head up the PNNA's participation at the Puyallup Fair's Hobby Hall. Greg has done a great job in past years and Lisa is looking for a new volunteer who lives close enough to Puyallup to conveniently serve in that role.

Other Business:

Danny noted that the new ANA Fall National Money Show will first be held in Pittsburgh, PA in October 2011. We will need to set the PNNA fall conference dates to avoid conflict with the ANA show.

Scott proposed the idea of having separate exhibit awards at the PNNA fall show in Portland, rather than just offering competitive exhibiting at the annual Tukwila convention.

Walt Ostromecki thanked Paul Hollis of Mandeville, Louisiana for donating a large quantity of the new 2010 Lincoln cents and informational cards about them for distribution to YN visitors. Walt also expressed his appreciation for the PNNA's continuing support of YN activities and emphasized that this is an important investment in the future of the hobby.

Eric announced that there was a new section of the PNNA website for committees and suggested that committee chairman or others active in the committees should post useful information about their activities on those web pages.

There being no further business, the board approved a motion to adjourn at 8:45 a.m. (Mark/Danny).

President Lisa Loos called the meeting to order at approximately 6:15 p.m. Lisa introduced herself, welcomed the attendees and explained the meeting format.

Election Report

Bill McKivor reported on the recent PNNA Board of Directors election and announced the results.

Continuing board members are: Lisa Loos (President), Danny Bisgaard (Vice President), Michael Labosier (Secretary), Scott Loos (Treasurer), Larry Gaye (Past President), Mark Gruner (Director) William McKivor (Director), Gawain O'Connor (Director), Bruce Wonder (Director). Eric Holcomb is continuing as appointed Editor and Webmaster.

New board members (all Directors) are: John Enges, James Reinders, Dale Reubish, Rick Schultz, Dennis Stevens, and Dan Vornbrock.

Departing Directors are: Rob Anglemier, Steve Cox, Del Cushing, Eric Holcomb, Craig Korstad, David Ownbey and Michael Sanders.

Installation of New Board

The new and continuing board members were introduced and the new board was installed by ANA Governor Walt Ostromecki.

Introductions

Lisa called on the newly elected board members to introduce themselves and briefly describe their interests and what they hoped to accomplish on the board. {Eric recorded some of this on video, which will eventually be posted to the website.}

Q & A/ General Discussion

Lisa then opened the meeting to questions and comments from the members in attendance. Several attendees raised questions as noted below, and there was general discussion of the issues involved.

Larry Gaye opened with a suggestion that meetings of the PNNA membership (board?) be held in conjunction with various member club meetings. The goal would be to more closely integrate PNNA activities with those of the clubs and to bring the PNNA closer to those who are active in the clubs.

Dan Vornbrock asked about PNNA member clubs. Lisa noted that there currently were eight member clubs and described the benefits to the clubs of PNNA membership. These include publicity through the PNNA show calendar, links to club websites from the PNNA website, access to PNNA owned display cases for free use at club sponsored shows, use of the PNNA's digital projectors for club presentations, and opportunities for involvement in larger shows as co-sponsors with the PNNA. Allen Berman noted that club support enabled the PNNA to reliably host the annual convention—the largest annual coin show in the region, and one that attracted national as well as local dealers.

Joe Webber asked about the dealer tables in the bourse, expressing a preference for the 30" wide tables used in the past over the 24" wide tables used this year. Mike Labosier explained that a new decorator was used this year and that the narrower tables were all that were available from this source. Mike and Scott Loos had made the decision to hire the decorator after finding that the decorator used by the PNNA for many years was unavailable. Scott was aware of the smaller table size but noted that the 24" tables are used at ANA conventions.

Dennis Reed commented that the carpet panels used to cover the gym floor of the bourse buckled or did not lay flat in some places and that this presented a safety issue. In fact, there were a couple of incidents this year of people tripping and falling due to the uneven flooring. Mike explained that the carpet panels are placed by staff of the facility and that they were flat prior to the decorator's set-up work. Some panels were shifted out of place or buckled as set up work was done and as heavy carts were rolled over them during dealer set up. A thorough re-positioning of the carpet panels was not done prior the show's opening. Mike will ensure that this is noted for next year, and will coordinate with the facility and the decorator to improve the re-adjustment of the carpet panels after set up and before the bourse is open to the public.

Awards

Danny discussed the PNNA awards process and announced the following 2010 winners:

Bob Everett Memorial Award – Dick Cowley.

PNNA Scholarship to the ANA Summer Seminar - Adult – Francisco Lazzara.

Dick Cowley was in attendance, and Danny presented the award to him at the meeting.

There being no further business, Lisa adjourned the meeting at 7:00 p.m.

Michael Labosier, Secretary, Recording.

Upcoming Board Meetings

The next meeting of the PNNA board will be on Saturday, July 10th at 1:00 PM in North Bend, Washington.

There is also a PNNA board meeting at the annual PNNA-Willamette Coin Club Fall Convention and Coin Show in Portland, OR. The meeting is scheduled for a few minutes after the bourse closes on Saturday.

If you have any ideas or suggestions for the PNNA board to consider, please submit them to the president or secretary in advance of the meeting.
