## 2012 October-November-December

### President's Message

by PNNA President Danny Bisgaard

Summer finally arrived in the Pacific Northwest on July 4<sup>th</sup>. Hopefully some of you got to attend the A.N.A. Summer Seminar in Colorado Springs. I talked to some P.N.N.A. members who attended and they said they had a great time. Other P.N.N.A. members attended the A.N.A. show in Philadelphia and reported light participation.

A big thank you goes to James Reinders and family for hosting the P.N.N.A. July 28<sup>th</sup> Board meeting. Although in the Portland area, we did have a quorum and discussed some important future events. Please read your minutes to find out what is going on.

P.N.N.A. Board members have been busy during the summer:

We visited the Olympia Coin Club on June 7<sup>th</sup> and presented a check and certificate for their participation in the A.N.A. National Coin Week. Thank you Scott for providing the check.

We visited other P.N.N.A. coin clubs in Oregon (Salem, Albany/Polk County and Willamette Coin Clubs). Thanks go to Ed and John for traveling to the clubs as well as Rick who visited the Willamette Coin Club in July soliciting volunteer participation for the P.N.N.A. booth at the Puyallup Fair.

Once again, thanks to Rick Schulz, volunteers and P.N.N.A. Board members that organized and staffed the booth.

We awarded plaques for the Tukwila convention exhibit winners to Gerald Williams of the Albany Club and James Reinders of the Willamette Coin Club. Thanks go to Dan for the production of the plaques.

Thank you Ed for visiting the Vancouver B.C. club meeting and Seattle Numismatic Society meeting in September.

End of September brings the Willamette Coin Club/P.N.N.A. co-sponsored convention to the Doubletree in Portland on September 29-30. Please consider visiting, exhibiting and if possible, volunteering in some way. A

big thank you goes to the show committee and volunteers that make this convention a success every year.

At the Tukwila convention, more volunteers are needed in 2013. Additional information will be provided on the needs and I hope members of the Board and P.N.N.A. will step up to relieve some of the workload on the Convention Committee.

Ed Fisher is chairing the sub-committee on the redesign of the P.N.N.A. logo as well as coordinating the 75<sup>th</sup> anniversary festivities scheduled for 2015. Got ideas or want to be part of the committee – contact Ed Fischer ([edoregon@comcast.net](mailto:edoregon@comcast.net)).

Projected Board Meetings Dates and Locations:

September 29, 2012 Portland annual convention, Doubletree Hotel at Lloyd Center.

January 19, 2013 Boeing show, Kent Commons.

April 13, 2013 Tukwila annual convention, Tukwila Community Center.

The Board serves at your pleasure – please contact any one of us with your suggestions. We want to grow this organization and we want to better educate our members on the subject of numismatics. Please read the article on the first annual Literary Award – we want to see what the P.N.N.A. clubs are doing in communicating club information to their members.

Have a great “numismatic” fall/winter – consider attending the ANA Fall National Money Show in Dallas, October 18-20. Hope to see some of you in Portland.

## Fall Convention Dates/Times/Info

by Larry Gaye, General Chairman

Well here we are again, the 8<sup>th</sup> Annual Willamette-PNNA coin show is on track to open to the public, Sept. 29-30. This has been a very successful show in the Northwest thanks to the hard work of Scott and Lisa Loos as well as the entire Willamette Coin Club.

The show will open to dealers on Friday, Sept. 28 in the afternoon. Early Birders will also be allowed to enter when the dealers enter and may pick up their Early Bird Pass on Friday, which will cover the entire weekend. Setup and Early Bird entry will continue on Saturday morning at 8:00 AM.

We hope to see all PNNA/Willamette members there to welcome their fellow collectors.

Dealer set up:

Friday, September 28, ?? - 6:00 PM.

Saturday, September 29, 8:00 - 10:00 AM.

Public entry:

Saturday, September 29, 10:00 AM - 6:00 PM.

- ANA V.P. Walt Ostromecki is scheduled to conduct the popular YN treasure hunt. (See below.)
- There will be free Boy Scout and Girl Scout clinics on Saturday. See the PNNA website for details, or visit <http://collect3.com>.

- The hotel room block at the Lloyd Center DoubleTree may be sold out, but there are other hotels within a reasonable distance.

## PNNA-Willamette Fall Convention Young Numismatist/ANA Program

In addition to scout clinics, there will also be a general public and youth and family activities table inside the show (sometimes known as the "WCC-PNNA Kid's Educational Zone") which will provide youth, families and non-collectors with all sorts of FREE hobby information and educational materials. Plans also call for a FREE 10-stop youth numismatic "Treasure Hunt," for both Saturday and Sunday.

## Puyallup Fair Thank-You!

The 2012 Puyallup Fair is over and this year's PNNA Hobby Hall display has been a great success. Display coordinator Rick Schulz reports thousands of visitors have stopped by the display, asked questions and played the penny game. There was hardly a time when kids of all ages weren't hunched over trays of pennies and foreign coins searching for their birth year and a souvenir to take home from the Fair.

This year's display seemed to draw more interest than in years past. The theme this year was **U.S. Coins Thru Time**. Representative coins from every decade from the 1790s to today were spread out along a time line showing visitors how our coinage has changed. Visitors spent more time looking at the display and more questions were asked about what they saw.

Rick would like to thank his team for their work developing and setting up this year's display. He said if it wasn't for the creativity and hard work of Kevin Charboneau, Ron Ahre and Brian Deren, this year's display would not have been as successful as it was. He also wants to thank Kevin and Ron for their contribution of numismatic pieces for the display. A special thanks goes to Dave Schmidt for loaning several key pieces that filled important periods in the timeline.

Finally Rick would like to thank all the local club members from Everett, Washington to Salem, Oregon who volunteered their time to staff the display. Fifty-one shifts had to be filled and the enthusiasm of the area's local club members made this an easy task to accomplish. Any one who has ever signed up for a shift knows how much fun it is and are eager to do it again.

Now is the time to start thinking about next year's Fair. When you get your 2013 calendar block out September 6 to 22. Sometime next spring or summer Rick Schulz will be looking for volunteers!

*No volunteer is knowledgeable about all aspects of numismatics – if your question wasn't answered or if you were unable to attend the Fair, please e-mail your question to [info@pnna.org](mailto:info@pnna.org), and it will be directed to a local expert for a response.*

## Exhibits at the 2012-2013 Conventions

Now is the time to build your exhibits for next spring's PNNA convention in Seattle (Tukwila). In addition to Portland, there are also opportunities to show exhibits at the Everett show (November) and the Boeing show (January); use these shows as proving grounds for your entries. Don't forget that the best exhibitor at the PNNA spring convention earns \$200 toward the expense of taking the winning exhibit to the ANA summer convention in the same year (the ANA will be in Chicago in 2013).

## PNNA gets OLDER! 75 coming up!

And so the story goes for everything around us. Sometimes the ages aren't kind, like the growing potholes in our public highways. Or maybe we mature gracefully like a well-toned Morgan Dollar. I choose to think that the value of the PNNA has grown because of the wonderful general members and the leadership of the Board. May we forever grow and move forward.

We are fortunate to be in an era where we can celebrate 75 years of numismatics and fellowship. The Board is conducting a search for design ideas for a medal to be produced commemorating the big event. A contest is planned to entice people to present artwork. This is still in the planning stages and we should have a fabulous prize for the design chosen. More will come in future issues of *The Nor'wester*.

We are always looking for input from any member with comments and suggestions. Contact Ed Fischer at [edoregon@comcast.net](mailto:edoregon@comcast.net). Thank you.

## PNNA 2012 Literary Award for Best Club Newsletter

The PNNA sponsors a new annual contest whereby local clubs can win awards for best club newsletter. Awards will be presented in April 2013, for the three best newsletters of 2012.

Criteria for judging will be as follows: The submitted newsletters will be judged on the basis of the overall quality of their content. Specific aspects that will be considered include layout, use of graphics, inclusion of informative articles by club members, specific contributions by and for Y/Ns, and evidence of creativity, both in content and in methods of distribution.

Clubs should submit a sample of three of their 2012 club newsletters to the committee for evaluation. Please send entries to the attention of Danny Bisgaard, c/o Skip Caldwell, PO Box 2051, Salem, OR 97308. Electronic newsletters can be submitted to [d.bisgaard@comcast.net](mailto:d.bisgaard@comcast.net). Deadline is Feb. 1, 2013.

Awards will be \$100 for first (club to receive a plaque and PNNA perpetual plaque), and certificates for second and third.

We look forward to see what the local clubs are doing in getting the word out about their club's activities, and articles that help educate all of us.

## Penny Press

The PNNA is currently in the final stages of their acquisition of a penny press - a hand crank machine used to squish (elongate) pennies into souvenirs. A machine has been selected and we are currently in the process of developing four different dies.

Once it is up and operational the penny press will be featured at all PNNA functions including the spring convention, the Puyallup Fair and the joint PNNA/Willamette show in the fall. Though a lot of procedures still need to be worked out, it is expected that PNNA member clubs will also have access to the machine. Local clubs will likely have to pay for their own die(s) but the cost per die appears quite reasonable.

Watch this space and the PNNA website for more information about this exciting new PNNA benefit.

## Road Warrior by Ed Fischer

This last quarter has been full of PNNA road trips to many of the member clubs in the Willamette Valley. And now, as I write this, am planning to reconnoiter to our members north of the U.S. border. Hope they let me across and back without too serious of a search.

The "Salem contingent" of Danny Bisgaard, John Brown and I make the rounds to several clubs each month. We often drag along James Free, the president of the Salem Numismatic Society for additional gas money. Every club has its own flavor and direction.

In Salem we try to include some educational segments between the raffles, membership drawings and auction. We are almost growing out of our current meeting room. I enjoy the Willamette Coin Club meetings because I add to my knowledge of ancients and foreign every month. The variety in their raffle always stretches my mind. Recently the Mid Valley Coin Club and the Corvallis Coin Club merged producing a group of forward thinking folks working on growing their club and having some fun. On a past trip Gerald Williams was presented with an award from PNNA for his display at the Tukwila show last April. Their auction lots always include some great variety. Dallas/Monmouth Coin Club has done some moving around over last few years, but seems to have found a good home at the Monmouth Senior Center. I always look forward to the next interactive "Bill and Don Show" and auction. My goal, in the near future, is to get out to Bend, McMinnville and Springfield very soon.

A trip to North Shore Numismatic Society and Seattle Numismatic Society capped my road trip. I was in the area for some volunteer work at the Puyallup Fair and this seemed like a logical extension. NSNS asked me to speak on behalf of PNNA. Well, actually I am in search of ways for PNNA to serve them. And I'm excited in seeing a big city club like Seattle run their meeting.

Watch out folks because I may appear at your next meeting. If not I, then one of your other PNNA Board members may step up. We are here to serve you and assist in the success of the numismatic hobby. Hope to see you at the PNNA/Willamette show in Portland!

## *ANA Convention, August 7-11, 2012 in Philadelphia, PA*

See ANA coverage of the convention at <http://www.worldsfaïrofmoney.com/live-coverage.aspx>.

### **Thank You ANA WFOM Philadelphia 2012**

*Report by John and Nancy Wilson.*

The American Numismatic Association (ANA) World's Fair of Money (WFOM) Convention held in Philadelphia, PA at the Pennsylvania Convention Center, on August 7 – 11, 2012 was highly successful in activity, public attendance and the size of the bourse. We have to go back to the ANA conventions in Philadelphia 2000, and Chicago 1991 to find comparable attendance. From the opening ceremonies to the close of the show on Saturday, bourse dealers appeared to be kept busy with customers.

EVERYTHING in regards to the show appeared to be outstanding and MS-70. The convention had a large and busy bourse, a mega Stack's Bowers auction, excellent exhibits (including the Museum Showcase) and educational programs, Sponsor's and Patrons, top notch PPI security, exceptional tours and banquets, YN and Boy Scout activities, coin club tables and meetings, World Mints and Bureau's, eBay table, souvenirs including an elongated rolling machine (TEC Booth), a great Official Program, terrific media coverage and PR work, the Numismatic Press including *Numismatic News*, *Coin World* and *COINage*, and all the grading services. Thank you to the 43rd Treasurer of the U.S., Rosa "Rosie" Gumataotao Rios for attending the convention and signing autographs. We consider her the best Treasurer of the U.S. since Mary Ellen Withrow. She is a true friend of all coin collectors. Thanks to all the aforementioned for their hard work and dedication.

Thanks also to General Chairman Kerry Wetterstrom, his committee and the host Red Rose Coin Club volunteers and members (wearing red ANA shirts). Kudos' to ANA Executive Director Jeff Shevlin, Convention Director Rhonda Scurek and the entire ANA staff, President Tom Hallenbeck and the Board along with the National Volunteers. Thanks again to everyone for their many contributions who helped to make this a highly successful convention. We hope to see you at one of the next three ANA coin conventions: ANA NMS Dallas, TX, October 18-20, 2012; NMS New Orleans, LA, May 9-11, 2013; and WFOM Chicago, IL, August 13-17, 2013.

Yours in Numismatics, John and Nancy Wilson,  
ANA National Volunteers.

## PNNA Board Meeting Minutes

28 July 2012, Portland, Oregon

Members in Attendance: Danny Bisgaard, President; Lisa Loos, Past President; James Reinders, Vice President; Michael Labosier, Secretary; Scott Loos, Treasurer; John Brown, Director; Ed Fischer, Director; Rick Schulz, Director.

Members Absent: Mark Gruner, Director; William McKivor, Director; Gawain O'Connor, Director; Dale Reubish, Director; Dennis Stevens, Director; Jesse Torres, Director; Dan Vornbrock, Director.

Guests in Attendance: None.

The board meeting was called to order by President Danny Bisgaard shortly after 1:00 p.m. Danny welcomed the new board to its first meeting since the April election.

**Secretary's Report:** Mike Labosier called for any changes or corrections to the minutes of the April 14, 2012 board meeting as published on the PNNA website. The minutes were approved as published (Lisa/John). Mike then reported on club correspondence, which included an online donation referral opportunity and various notices from the ANA. The PNNA is generally not interested in online linkages, and in the future Mike will forward any such solicitations to Danny, James and Scott. Unless any of the officers show an interest, these opportunities will not be brought to the board. Also, as most or all of the PNNA board members are also ANA members, Mike will not forward ANA notices to the board members.

**Treasurer's Report:** Scott Loos reviewed the PNNA's 2012 financial results through June. Revenues for the 6 month period totaled \$28,488, with \$23,615 of that attributable to convention income. Year-to-date expenses through June were \$37,250. Convention expenses account for \$28,793 of the total, including some pre-paid costs for the 2013 convention. The Association held cash of \$74,575 at June 30, mostly invested in money market accounts. Fund balances included \$63,083 held in the general fund, \$3,730 in the life member fund, and \$7,762 in the Bob Everett Memorial fund. The Treasurer's report was accepted by the board (James/ Rick).

The board briefly discussed updating the signature card on the PNNA checking account for the new officers. Given the difficulty of making these changes with the banks' stringent procedures and the geographic spread of the officers in two states, the board decided not to make changes at this time.

## Committee Reports:

**Convention** –Mike presented an overview of planning underway for the 2013 Tukwila convention and noted several areas where more help will be needed. Mike committed to provide Danny and Scott with a detailed plan for the convention by the end of August, identifying specific areas of responsibility needing further support. Danny expressed his expectation that there be more involvement by board members and club members in planning and running the convention. Scott reported on plans for the September 2012 Portland PNNA show and on coordination efforts with the co-sponsoring Willamette club. Lastly, Scott provided a summary of the 2012 Tukwila Convention's financial results, reporting net proceeds of \$7,957. The PNNA's profit has been dropping on this event as costs have risen over the past few years. As a result, table fees will increase for the 2013 convention and the convention committee will continue to look for ways to keep costs in line.

**Exhibit** – Danny gave a brief report in Dan's absence. Good exhibits have been presented at both the spring and fall conventions, and continuing efforts will be needed to publicize the opportunities for upcoming shows and to plan and coordinate the exhibit and judging activities.

**Membership** – Dennis was unable to attend, so Danny discussed the current membership application/ benefits flyer and updates needed. Lisa will serve as the new chairperson for this committee.

**Outreach** – James will continue to focus his efforts on scouting initiatives and running the scout clinics at the conventions. James noted that he is looking for a Girl Scouts contact in the Seattle area to coordinate activities there. Jesse (not present) has agreed to continue to run the YN program at the spring convention. Rick reported that sign-ups are going well for the PNNA presence at the Puyallup Fair. Rick plans some new displays for the Fair and may have a penny squishing machine available by then for visitors to make souvenirs if the PNNA decides to proceed with that initiative. The club representative program has stalled, but Rick will resume efforts in the coming months. Rick led a broader discussion of outreach focus, including both appeals to YNs and adult prospects.

**Education** – Scott expects the ANA to be more open to educational offerings under its new leadership, and will discuss possibilities with Jeff Shevlin at the upcoming ANA convention. Scott is also exploring the idea of a local seminar run without ANA involvement, possibly co-sponsored with the Willamette club.

**Elections** – Bill was unable to attend. Danny commented on the recent election and noted that Bill's idea to include candidate biographies in the ballot package for the past two elections was a good innovation. Danny reminded the current board members to always be alert for others who may be interested in serving on the board, and suggested that members find opportunities to explain what the board does to those who may be interested.

**Publications** – In Dale's absence, Danny reported that Dale is keeping the show calendar current.

**Awards/Scholarships** – Danny noted that this will be the first year for the PNNA's new literary award. As a follow-up to the annual awards presentation in April, Danny announced that the YN Summer Seminar scholarship winner had also received an ANA scholarship, so the PNNA YN scholarship was unused this year.

#### Old Business:

**By-Laws Review** – Danny commented on the recent updates to the by-laws, all of which were approved by vote of the members.

**Branding / New Logo** – Danny reviewed ideas discussed in the past several board meetings for a new PNNA logo. The current logo dates back to 1940, and Danny suggested that a new logo be considered in conjunction with the association's 75-year anniversary in 2015. A PNNA commemorative medal may also be issued to mark the anniversary. The board was supportive of holding contests for both the logo and possible medal design, with prizes for the first, second, and third choice selections. A Celebration committee for the PNNA's 75<sup>th</sup> birthday was formed (Ed, Lisa, James, and John) to work on plans.

**Penny-Squishing Machine** – Rick will look into this further, and possibly have a machine available for use at the Puyallup Fair if the board is supportive.

**Membership Kiosk** – The idea of creating a membership kiosk for display at shows has been difficult to accomplish, and after some discussion the board consensus favored dropping further work on this and instead focusing on the tri-fold membership flyer as the primary means of promoting the benefits of membership.

#### New Business:

**Volunteer Involvement** – Danny called for more participation from the board members, particularly in meeting staffing needs at the conventions and in submitting articles for publication in *The Nor'wester*.

See the new PNNA news blog at:  
<http://www.pnna.org/blog/>

**Territorial Scope of Organization** – Danny led a discussion of the PNNA's geographic scope and of the value of membership for those outside the Western Washington / Western Oregon areas. The show calendar benefits clubs in other areas, but otherwise PNNA involvement beyond the metropolitan regions west of the Cascades is currently minimal.

**Membership Increase** – Danny reviewed the current membership statistics and pointed out the opportunity to reach out both to prospective YN and adult members. PNNA membership has been rather flat, and the association would benefit from the ideas and involvement of new members.

**Voting Participation** – Danny noted that only 22% of the ballots were returned in this year's election. Having no contested positions was undoubtedly a factor. A brief discussion followed concerning how to generate more interest in the next election.

**Rachel Irish resignation** – Danny announced that Rachel Irish was resigning her paid role of membership record keeper / dues collector. Eric Holcomb has agreed to take on those duties, and the board assented to retaining Eric's services.

There being no further business, the meeting was adjourned at 3:50 p.m.

The next meeting of the PNNA board will be on Saturday, Sept. 29 at 6:00 p.m. in Portland, Oregon at the annual PNNA-Willamette Coin Club Fall Convention and Coin Show.
