2019 Portland Coin Show Exhibit Report	12

All exhibits at the fall shows were entered in a single class unless otherwise noted.

Where a class is omitted in the exhibit results, there were no entries in that class.

*For most of the fall coin shows, there are no written exhibit reports, however,
the results may have been reported in *The Nor'wester*.*

All the exhibit case images in this document (and a few more) are available to be viewed and studied at the highest available resolution by visiting <https://pnna.org/exhibits/images/>. This is a great way to learn from the past and prepare for your next collector exhibit! Look for file names in the images folder containing the exhibit number shown in brackets.

Judges: Eric Holcomb, Danny Bisgaard, John Brown.

2019 Portland Coin Show Exhibit Report

See above for the results of the 2019 competitive displays in Portland. There were six competitive exhibits in 17 cases, covering four of the six new classes. Thanks to all the exhibitors!

Congratulations to all the winners. They received awards for their entries. Thank you to the judges listed above, to Eric Holcomb for serving as Chief Judge, and to Tom Tullis for serving as Exhibit Chairman. Their work was very much appreciated.

This was the first year that exhibits at the fall coin show could be entered in one of six classes (as is true at the spring convention) rather than in a single class.

All shows were cancelled in 2020, and then beginning in 2021, both the PNNA spring and fall shows are in Tukwila, and the Portland fall coin show is run separately by the Willamette Coin Club (WCC).
