## **CONECA to Offer Free Examination of Error & Variety Coins at Major Coin Shows Across the USA**

CONECA, the international error coin and variety club, will be offering free examination of error and variety coins to collectors at educational tables at coin shows across the United States throughout this year and into 2026.

The club, whose name stands for “Combined Organizations of Numismatic Error Collectors of America,” is the largest coin specialty club in the United States and has actively been educating collectors about mint error and variety coins for the last five decades. They would love to help you with your error coins!

At their coin show tables, different members of the CONECA Board of Directors and other error / variety enthusiasts (each with different areas of specialty as available) will offer free examination to collectors who bring coins from their collection to the show with questions. This is offered as a free service to help the hobby grow.

CONECA is devoted to education about errors and varieties and will not be buying or selling coins at their tables. The club requests that collectors have an idea of what they are asking about on the coins they bring to the shows, to allow for as many collectors as possible to have a chance to have their coins examined. The show schedule is as follows...

There will be a CONECA table at the Fall Pennsylvania Association of Numismatists (PAN) show October 16-17-18th, 2025. The show will be held at the Monroeville Convention Center, 209 Mall Blvd, Monroeville PA, 15146. More info at <https://pancoins.org>.

CONECA will also have a table for the first time at the fall Willamette Coin Club show in Portland Oregon. The show will be held November 15<sup>th</sup> and 16<sup>th</sup> 2025, at the Holiday Inn Portland at Columbia Riverfront, 909 N Hayden Island Drive, Portland, OR 97217. For more information see <https://pdxcoinclub.org/portland-coin-show>

CONECA will also have a table at the winter FUN show, January 8th-11th, 2026, in Orlando Florida at the Orange County Convention Center, 9800 International Drive, in Hall WC, Orlando Florida. More info at <http://www.funtopics.com>

In addition, CONECA board members are occasionally available to offer educational programs about error and variety coins, both virtually and in person, to local coin clubs nationwide. Please inquire if interested: [minterrors@gmail.com](mailto:minterrors@gmail.com)

CONECA can be found online at <https://conecaonline.org>
