President's Message

by PNNA President Lisa Loos

What better way to begin a New Year than to give ourselves a New Year's resolution? Will you finally go in search of the last missing piece to your collection? Are you considering being an exhibit participant this year, or do you just want to get more involved with the numismatic scene in the Northwest? This year will be the year you can make all this happen!

To begin, the Boeing Employees Coin Club will hold their annual show January 17-18 at the Kent Commons. Here, you can most certainly find that missing piece amongst the many dealers in attendance. You can also apply to show an exhibit. Exhibit applications can be found at <http://www.seattlebecc.org/>

The Boeing show is a good tune-up if you would like to exhibit at the upcoming ANA show in March or the PNNA Convention in April. Keep in mind that the "best of show" winner from the PNNA receives a \$200 stipend to exhibit on a national level at the ANA World's Fair of Money® this summer in Los Angeles. Go ahead—what do you have to lose?

If getting more involved is your resolution, many opportunities are available to you this year. Volunteers are still needed to assist with the ANA National Money Show™ in Portland coming this March. Contact me if you would like to volunteer. Secondly, National Coin Week is April 19-25. A great way to get involved is to display an exhibit at a local bank or library. Read more about National Coin Week in an article from Award Chairman Danny Bisgaard in this issue. You don't have to participate at a regional or national level to make a difference. There are many behind the scenes projects that take place to make a successful club. I am sure if you ask your club president what you can do, they would be happy to have the extra help!

It doesn't matter if you're into making resolutions or not, I think we all can resolve to participate in some activity to make our numismatic experience more enjoyable.

HAPPY NEW YEAR!! – Lisa

Summer Seminar Scholarships

The PNNA will be offering one adult and one YN Scholarship to attend the ANA 2009 Summer Seminar in Colorado Springs.

The 2009 scholarship application is attached to this newsletter, and is available online on the PNNA website, and at selected local coin shows and coin clubs.

For more information, contact Danny Bisgaard, d.bisgaard@comcast.net, or call 503-588-8162. Once applications are filled out, send to Danny at S.N.S. c/o Skip Caldwell, PO Box 2051, Salem, OR 97308.

Please get the word out to your local clubs. We would like to increase the number of applications from 2008. Last year's submissions were few and far between!

Report from 2008 Scholarship Winner Larry Gaye

Are all PNNA members aware of two \$1,000 PNNA scholarships to attend the annual American Numismatic Association's Summer Seminar in Colorado Springs? Two full scholarships are awarded, one to an adult and one to a young numismatist.

As a recipient of a 2008 scholarship I would like to encourage all of you to consider submitting an application for the scholarship. What have you got to lose other than an opportunity of a lifetime to pursue your collecting interest, or investigate a new one? The only requirement once you attend the session of your choice is to write a remembrance of your experience to be published in *The Nor'Wester*.

In case you are unfamiliar with it, the Summer Seminar is a two week immersion into the many aspects of numismatics taught by the best people in their fields, from digital coin photography to engraving dies.

The two weeks are actually two distinct sessions with totally different curriculum offerings: you can choose what aspect of the hobby you would like to investigate. There are also evening mini-seminars you can add on in case you haven't had enough numismatics during the daytime sessions.

What a chance for a parent and junior to enjoy numismatics together. The junior programs are very well run, there is never a dull moment and the activities are amazing. A junior can look at collecting, writing articles, running an auction and very many other activities with adult chaperones to guide them along the path.

I will be publishing my experiences in a forthcoming edition of *The Nor'Wester* in 2009. I hope all of you check out the PNNA site as well as the ANA's site for information on Summer Seminar. Even as I write, the ANA is preparing the curriculum for 2009. Check out this link for the dates and other information: <http://www.money.org/Content/NavigationMenu/NumismaticEvents/SummerSeminar/default.htm>.

The application for numismatic nirvana is simple, and is attached to this newsletter. Check it out, who knows, maybe next year you will be on your way to Colorado Springs!

Education Committee

The PNNA Education Committee would like to hear your ideas for PNNA-sponsored educational programming. In the past, the PNNA has sponsored weekend seminars on topics from Ancient Greek and Roman Coinage to U.S. Coin Grading. We have also had nationally recognized speakers to headline the Numismatic Theatre program at our annual convention in Tukwila, WA.

The committee is currently looking at bringing more educational opportunities to our membership - in the form of weekend seminars and one day symposiums with multiple speakers. Now, the big question is ... what would you like to see? Are you a fan of U.S. coin grading/counterfeit detection ... or do you prefer currency, tokens, or ancient/medieval/world coins? Please let us know what you would like to see and we will do our best to bring it to you ... our members. Please forward ideas to Scott Loos, PO Box 2210, North Bend, WA 98045, phone 425-831-8789, e-mail scottloos@msn.com.

Cushing to Retire from Mailing *The Nor'wester*

Longtime PNNA life member Del Cushing, who has mailed most issues of *The Nor'wester* for many years (and also served as editor for a number of those years), has announced his retirement from the mailing business after the spring PNNA convention in Tukwila.

The PNNA board is seeking a replacement to perform this very important function. Interested persons can contact editor Eric Holcomb or another board member for more information. At present, we do not have enough members to do an automated mailing, although that may be possible in the future.

And thank you, Del, for all your years of service to the PNNA!

Bob Everett Memorial Award

by *Danny Bisgaard*

The awards committee is made up of Danny Bisgaard, Chair, Gawain O'Connor, Craig Korstad and Bruce Wonder. In addition, the past five winners of the Bob Everett Memorial Award (Scott Loos, Walter Ostromecki, Larry Gaye, Joseph Boling and Dick Billings) make up the committee to select the winner for 2009.

The award is usually presented at the April 2009 annual convention (if the honoree is present). The recipient does not have to be a member of the PNNA; he or she need only be someone who has promoted numismatics in the Pacific Northwest during the 2008 calendar year.

Please send your nominations (name and achievements that merit receipt of the award) to one of the above past five members that make up the selection committee. In addition, nominations for the award could be sent to the PNNA awards committee or the secretary for forwarding to the selection committee.

More information is available on the PNNA website at <http://www.pnna.org/everett.html>.

I'm thanking all of the membership for taking the time to submit nominations for this important award!

National Coin Week Contest

by *Danny Bisgaard*

The 86th annual National Coin Week (NCW) will be April 19-25, 2009.

Each year the ANA selects a theme for NCW to suggest different ways to promote the hobby. The ANA deadline for the suggested theme contest was December 17, 2008. It was suggested that all theme submissions should focus on the nation's 16th President, Abraham Lincoln.

The PNNA sponsors an annual contest whereby local clubs can win monetary awards for promotion of National Coin Week. Local clubs should take this opportunity to enhance their club treasury by preparing an eye popping exhibit and display it in their local community.

Local clubs that do participate should send their information to the attention of Danny Bisgaard, c/o Skip Caldwell, PO Box 2051, Salem, OR 97308. Information should include pictures of the display and a written narrative on where the display was placed as well as other activities the club did to promote NCW.

Let us increase the activity! The Olympia Coin Club has been the winner the last few years.

Lisa Loos, Pacific Northwest Numismatic Association (PNNA) president and VP of Women in Numismatics (WIN) and Eric Holcomb, PNNA editor, webmaster, chief exhibit judge and editor of the ANA representative program newsletter, were both recognized for many years of unwavering volunteer service to local numismatics, the PNNA and the ANA by ANA President Barry Stuppler. Each was presented with an ANA Presidential Certificate of Appreciation Plaque by Governor Walt Ostromecki. The feting took place during the quarterly PNNA board meeting and dinner, Saturday, October 18, 2008 at the PNNA-Willamette 'MiniCon' fall convention in Portland, OR.

The 2008 Portland 'MiniCon' convention, cosponsored by the PNNA and the Willamette Coin Club, saw a small drop in overall show visitor attendance from last years' 700 plus. "The show attendance was most certainly impacted by the current economic crisis," commented General Chairman, Larry Gaye. Many dealers noted their overall sales were lower than last year's pace and nary a bullion piece was to be found on the bourse floor. The hottest numismatic sales items were paper currency, modern US Mint offerings and mid grade (VF-XF) raw type coins. Dealer Dennis Reed, Lacey Rare Coins, WA noted, "We had to really deal, and I mean deal, to stimulate the public into buying. This was most unusual."

"Local collector outreach and education were the two primary focuses of the show," stated Gene Wiley, president of the Willamette Coin Club. "We were again fortunate indeed to have the exuberant and talented volunteer services of that passionate and family fun focused hobbyist, Walt Ostromecki, ANA Governor and long time PNNA member. Walt has spearheaded PNNA youth activities since 2001. He is truly amazing when it comes to relating to kids of all ages. I don't

know where he gets all his energy! He enlightened and educated not only the youth and families through a special Halloween theme YN Treasure Hunt and Scouting Merit Badge Program, but also conducted our free general public outreach program for show attendees: ANA's Coin Collecting Basics 101 with skillful informative expertise and enthusiasm, introducing the joys of numismatics to more than a hundred first timers."

Eight outstanding and captivating top notch exhibits greeted show visitors. The display topics ran from 'Katt Crazy' coins to 'Project Apollo MACO Medals,' and from Zimbabwe's 2006-8 inflation notes to 'Byzantine Imperial Coinage.'

"Judging was very keen," according to exhibit chairman Larry Rowe. Only a couple of points separated Gene Wiley's second place exhibit, 'Katt Crazy' from Larry Gaye's first place best-of-show winner, 'Byzantine Imperial Coinage.'

"The most popular display from the public standpoint was 'Project Apollo MACO Medals' (entered non-competitively by Holcomb). PNNA historian Del Cushing brought along five cases filled with PNNA convention history from the 1950's through 1970's."

The next PNNA sponsored show (60th annual) is scheduled for April 17-19, 2009 at the Tukwila Community Center, Tukwila WA just outside Seattle. See the PNNA website at www.pnna.org for information.

The Willamette Coin Club meets the third Thursday of each month, Multnomah Art Center, Room 34, 7-9 PM. For more information contact Larry Gaye at light.man@verizon.net.

The PNNA also hosts a coin exhibit and information table during the month of September at the Puyallup (WA) Fair. The PNNA table, with able assistance from the Boeing Employees' Coin Club and other local clubs, saw in excess of 8,500 visitors during the 2008 Fair!

Exhibits at the 2009 Conventions

Eric Holcomb is the exhibit chairman for the ANA's National Money Show™, March 13-15, 2009 in Portland, OR, and is encouraging collectors to bring exhibits to the show. Eric is available for consultation by e-mail at Eric@Holcomb.com, or by phone at 541-647-1021. Exhibit applications are available on the ANA website (www.money.org) and should be submitted directly to the ANA by February 1.

There are also opportunities to show exhibits at the Boeing show in January (use this show as a proving ground for your entries), at the PNNA convention in Tukwila after the ANA in Portland, and at the ANA World's Fair of Money® in Los Angeles in August.

American Numismatic Association News

Adna G. Wilde Jr. Dies

Retired Lt. Col. Adna G. Wilde Jr., former president, Board member, executive director, treasurer and parliamentarian of the American Numismatic Association, died on the morning of Nov. 17 in Colorado Springs. He was 88.

"This is a sad time for our Association," ANA President Barry Stuppler said. "Adna will be remembered as one of the most important leaders in our history. Everyone who knew him respected him for his kindness, professionalism, and service to his country. He was the finest gentleman I've ever known, and he will be deeply missed."

A member since 1947 (Life Member 232), Wilde served as executive director from 1968-72, governor from 1973-79, vice president from 1979-81, president from 1981-83 and treasurer from 1983-2008. He received the Farran Zerbe Memorial Award in 1985, the Medal of Merit and Exemplary Service Award in 1991, the Lifetime Achievement Award in 1998, and Presidential Awards in 1994, 1998 and 2008. He received the inaugural award named in his honor, the Adna G. Wilde Jr. Award for Excellence, this October.

Wilde was elected to the ANA Numismatic Hall of Fame in 2002, was named ANA Numismatist of the Year in 2005 and received the Numismatic Ambassador Award from *Numismatic News* in 1995.

Wilde was born in Vicksburg, Miss., on Oct. 1, 1920, and graduated from The Citadel in 1943. After college, he joined the Army, and was wounded in combat in Italy during World War II. He moved to Colorado Springs in 1945 and served as an officer in the Army, achieving the rank of Lieutenant Colonel before coming to the ANA in 1968.

An accomplished numismatist, he was known most notably for his research of Leshner Referendum dollars and Stone Mountain commemorative half dollars. In his first year as executive director, Wilde and Ed Rochette were instructors for the first Summer Seminar. Enrollment the first year was 17 for the week-long educational event; Summer Seminar has since expanded to two weeks and attracts over 400 students each year.

"The ANA benefited from Adna's expertise for 40 years," said Executive Director Larry Shepherd. "He inspired countless young collectors, and provided a steady hand through good times and bad. His legacy will help guide the Association for generations to come."

Wilde is survived by his wife, Joan. He will be buried Jan. 26 with military honors at Arlington National Cemetery. Also see the Adna Wilde memorial page and guestbook on the ANA website.

Florence Schook School of Numismatics Established

The American Numismatic Association Board of Governors has voted unanimously to create the Florence Schook School of Numismatics in honor of one of the Association's most beloved members, who dedicated much of her life to educating young numismatists, President Barry Stuppler has announced.

Named in honor of the late Florence Schook, who died in 2006, the Florence Schook School of Numismatics will house all ANA educational programs for young numismatists and adults, both online and in the classroom. Summer Seminar will be the flagship program, but classes and seminars at conventions, remote sites and online will also be included.

The Florence Schook School will be accounted for as a separate entity, allowing donors to fund specific classes and certification programs with the assurance that the funds will be used for their intended purposes, Stuppler said. Funding will be used to expand YN programs, including a new "Introduction to Coin Collecting" class, YN curriculum track and an internship program. The ANA also will place qualifying YNs with selected ANA member dealers for summer employment, and develop online mentoring and social networking programs for YNs.

"Creating the Florence Schook School of Numismatics forever honors the one person who, arguably, has had the greatest individual impact on young numismatists in ANA history," Stuppler said. "Florence has been universally praised by virtually every young student who was inspired by her passion for numismatic education."

ANA Executive Director Larry Shepherd said establishing the School allows the ANA to "make a renewed commitment to provide the best educational programs and resources in numismatics to collectors of any age or level." He added that adult programs will be expanded to provide support and resources for new collectors, as well as intermediate and advanced programs to help attract new members, retain existing ones and enrich the numismatic experience for all collectors.

Funds donated to the Florence Schook School also will be used for scholarships, salaries for numismatic educators to develop new curriculum and online content, equipment, and other expenses necessary to operate the school.

"Creating this School re-emphasizes the ANA's educational mission," Shepherd said. "Through the Florence Schook School, we will educate a new generation of collectors, enrich the collecting experience for seasoned numismatists and enhance the bright future of the numismatic hobby." See the ANA website for the full press release and additional information.

AMERICAN
NUMISMATIC
ASSOCIATION

December 15, 2008

The American Numismatic Association is preparing for an incredible National Money Show™ to be held March 13-15, 2009. Hosted by The Willamette Coin Club and the Pacific Northwest Numismatic Association with the Salem Numismatic Society as honorary host club, it gives me great pride to be a part of this premier numismatic event. The convention features over 500 dealers, a world class auction conducted by Bowers and Merena and a wide array of exhibits. Of particular importance will be the ANA's educational programs for new as well as seasoned collectors, dealers and the general public.

Resources to support these programs include volunteer instructors, marketing efforts to reach the casual and new collectors as well as ANA members, supplies and collateral, to name a few. The funding for success of ANA educational programs at our conventions comes largely from support provided through our popular Patron program. Please help support our outreach programs by joining your host club organizations in and around Portland and ANA members around the country and become a Patron for the 2009 National Money Show.

By being an ANA convention Patron, your name will be listed in the official Show Program.

You can donate four ways; online at www.money.org (click on "Donate" and "Convention Patrons"); by mail; by telephone to 719-482-9857; or by Fax to 719-634-4085. The sooner, the better, so do it right now. A lot of people will appreciate it!

Sincerely,

Larry Rowe
